FIVE DROWNED AT VICTORIA, B.C.

A Tug With Six Aboard Wrecked—Only One Succeeds In Reaching Shore Alive.

Victoria, March 23.—The tug Velos, with the barge Pilot in tow, left this city last evening for Heddington Island to procure a cargo of stone for the new Parliament Buildings. On board the tug were Contractor Adams, Captain Anderson, Mate Christiansen, Eng. Low and three other members of the crew. When passing Trial Island, which is a barren rock, noted on account of its fierce tide, the tug's rudder chain broke, and, at full speed, she ran on the rocks. The barge brought up against her, and as the barge passed, Mate Christiansen sprang aboard of her. The barge had twenty-five stone-cutters and laborers aboard. The barge drifted past the tug, breaking the hawser, and went ashore on Trial Island, all aboard of her escaping to shore. The men had no boat, and could do nothing to assist the unfortunate six left aboard the tug, of which Captain Anderson is now the only survivor. The tug went down stern first. Contractor Adams and three of the crew were quickly washed away and drowned. Captain Anderson and Engineer Low, however, had lashed themselves to the davits, and there they remained for some time. Captain Anderson started to swim ashore, and being caught by heavy seas, was carried in on top of two big waves, and thrown on the shore in a half frozen condition. The body of Mr. Low, who had remained on the wreck, was recovered. The dead man was hanging downward in the water. None of the other bodies have been recovered, and in all probability never will be. The steamer Maud brought in all of the saved.

FRUIT DEALERS IN ARMS.

Bitter Opposition to the Bill Introduced by Hon. Mr. Dryden.

The fruit dealers of Toronto met Saturday afternoon to discuss an act which is about to be brought up in the Legislature by Hon. Mr. Dryden for the prevention of fraud in the sale of fruit. They decided in the meantime to keep their course of action secret.

The grievance they have is chiefly owing to certain clauses in the act required the commission merchant or middleman to supply fruit shippers with the names of all purchasers. This, it is claimed, would not only entail an immense amount of additional clerical labor in the offices of all commission merchants, but would give the shipper such information as would enable him to deal with the retail fruit men and do away with the middleman altogether. The proposed act also requires uniformity in size and color of the package, which places considerable restriction on the fruit grower, it being a natural fact that fruit does not grow uniformly.

CHILDREN ROASTED ALIVE.

Triple Cremation in a Fire at Chapleau, Ont.

Chapleau, Ont., March 23.—The house occupied by P. Dollard and A. Baker has been burned by the upsetting of the lamp on the stairway.

Mr. and Mrs. Dollard were downstairs and made every endeavor to extinguish the flames, but these got beyond control before they realized the danger. Their five children were in the upper part of the house and Mr. Dollard made a rush through the flames. He seized the baby, 1 year old, kicked out a window and shouted to the other four children to jump out. He dashed downstairs with the child in his arms, and when he reached the bottom found that all attempts to again return would be fatal. The house burned rapidly, cutting off all escape. Three children were burned. They were:

GERTIE DOLLARD, aged 13.
MICHAEL, aged 7.
ALEXANDER, aged 3.

JOHNNY, aged 11, jumped out of the window, but is so badly burned that recovery is doubtful.

Mr. Baker got his family out in safety, also some effects. Dollard lost everything. Mrs. Dollard is prostrated with grief. Mr. Dollard is badly burned about the face and hands. The remains of the three children were taken from the ruins about 11 p.m., burned to a crisp. The building, which was owned by Murray & Cowas, was all wood and valued at $1200. Murray & Mulligan's bakehouse, storehouse and barn were on fire several times, but were extinguished.

BANKER CONN ACQUITTED.

After Three Trials the Alvinston Forgery Case Falls to the Ground.

Sarnia, March 23.—To-day's sitting of the Lambton Spring Assizes saw the end of the celebrated case of the Queen v. Conn for forgery and the uttering of forged paper in the name of Anthony Gilroy through the Merchants' Bank of Canada in St. Thomas during the time of Conn's transacting a banking business in Alvinston, Ont. Many notes turned up after the failure which were not signed by Gilroy, and which were very poor imitations of the proper signature. Proceedings were taken against Conn in Detroit, and the Ontario Government effected his extradition. At the Spring Assizes the jury disagreed. The case again came up at the Fall Assizes of 1894, and the jury disagreed again. The indictment this time being somewhat changed, he appeared for trial, and for three days the trial has been on. The end was an acquittal.

Dyspepsia and Indigestion is occasioned by the want of action in the biliary ducts loss of vitality in the stomach to secret the gastric juices, without which digestion cannot go on; also, being the principal cause of headache. Parmelee's Vegetable Pills taken before going to bed, for a while, never fail to give relief and effect a cure. Mr. F. W. Ashdown, Ashdown, Ont., writes: "Parmelee's Pills are taking the lead against ten other makes which I have in stock."

EGG DEALERS MEET.

The Return of Egg Cases the Subject of Discussion.

The egg dealers have a grievance, and on Saturday they met to take steps to rectify it. They have been unable in the past to get all their egg cases returned, and although they are well marked, nearly every dealer has hundreds of cases scattered throughout the country, which never find their way back to the owners. The principal dealers in the city, including D. Gunn, Flavelle & Co., John Hawley, W. Ryan, Graham & McLean, J. F. Young & Co., and Rutherford & Harrison, met at the office of the first-mentioned firm to discuss the matter. A resolution was drawn up and an agreement is likely to be enforced, which will necessitate the payment of a nominal sum by the purchasers of eggs in cases belonging to the wholesale trade.

GRATEFUL—COMFORTING.
EPPS'S COCOA
BREAKFAST—SUPPER.
"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided for our breakfast and supper a delicately flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame.—Civil Service Gazette.
Made simply with boiling water or milk. Sold only in packets by grocers, labelled thus:
