When a mother detects from the writhings and fretting of a child that worms are troubling it, she can procure no better remedy than Miller's Worm Powders, which are guaranteed to totally expel worms from the system. They may cause vomiting, but this need cause no anxiety, because it is but a manifestation of their thorough work. No worms can exist where these Powders are used.

THE SEAWAY.

with a straw tippy that supports a tall-egg of pheasant's feathers, brilliant with green lights.

About Skirts.

In conformity with the straight line effect, the skirts are considerably narrower than those of last season—two to two and one-half yards in width. Where plaits are used they are pressed down so as to preserve the narrow effect.

Orange Marmalade.

Three thin skinned oranges, one cupful of sugar, two tablespoonfuls of lemon juice. Wash the oranges, cut in half and remove the pulp with a teaspoon. Cut the rind in quarters, then remove all fiber; put the rind in two quarts of cold water for twenty-four hours. Drain, cover with fresh water and boil until tender. Drain, press out all water; shred very fine; add to the pulp; add the sugar and boil slowly one hour. You can put the rind through food chopper and add the lemon juice to the rind.

Asthma Victims. The man or woman subject to asthma is indeed a victim. What can be more terrifying than to suddenly be seized with paroxysms of choking which seem to fairly threaten the existence of life itself. From such a condition Dr. J. D. Kellogg's Asthma Remedy has brought many to completely restored health and happiness. It is known and prized in every section of this broad land.

"Sure Enough."

"Yes, sir," said the station master, "Safety first has spread all over this country. And nobody that comes to Beaver Hill will ever get in no accidents fer want o' warnin' signs about Jest look at that now!"

The stranger gazed appreciatively at the sign nailed on a nearby telegraph post. Its stern message was: "It is dangerous to walk or stand on these tracks while a train is passing."—Everybody's Magazine.

Advantage of Necks.

"The giraffes and the ostriches are the most forgiving animals in the zoo," remarked the keeper.

"Is that a fact?" said the visitor.

"It most certainly is. Why, dear sir, they overlook everything."—Yonkers Statesman.

Unreasonable.

Mr. Fusser—Aren't you nearly ready? Mrs. Fusser—I wish you'd stop asking me that question. I've been telling you for the last hour that I'd be ready in a minute!

Caustic Advice.

Clara—He says he thinks I'm the nicest girl in town. Shall I ask him to call? Sarah—No, dear; let him keep on thinking so.—Town Topics.

Makes For Happiness.

"Are they happily married?" "Very. His lodge night falls on his literary club nights."—Exchange.
