## LACE IS IN VOGUE

Decoration Promises to Be in Demand This Spring.

Coming Season to See Revival of Trimmed Batiste or Lawn Frocks Necessary to Women.

Are you aware of the fact that we are about to experience a revival of interest in lace?

Doubtless this has been brought about in part by the men and women whose business interests center in the sale of lace. Moreover, writes a correspondent, it is again possible to get laces that were unavailable during the war. The revival of lace will mean that numerous women of Europe will have a means of earning a living; that we can help them to help themselves during reconstruction.

Real laces will be especially in demand, and this is in keeping with the revival of interest in all hand-wrought fabrics and tissues. But we are not going to be content with the old-time mode of applying lace, which was too often stiff and prim.

Designers are going back to the lavish method of the Renaissance, when ecclesiastics combined the most costly

of laces with the most gorgeous of embroideries and silks in the vestments worn on great festivals, and to the great court ladies of those days, who vied with the great prelates in their lavish use of lace and brilliant fabrics.

The prediction is made that this spring will see a revival of the sort of lace-trimmed batiste or lawn frocks that we used to regard as indispensable to every woman's wardrobe. If made by hand they require days and days of work, and if by machine actually miles of fine stitching. There are yards and yards, moreover, of lace insertion, and sometimes innumerable tucks. The result is a frock that is perennially fresh, for if it is not made to go in the tub, it is at least capable of being cleaned repeatedly.

Colored sheer cotton fabrics are used in the advance models for frocks and blouses, and instead of using white lace on these many of them show Valenciennes that has been tinted to match the fabric with which it is used.

Although in most of the new frocks for evening and afternoon wear there is a decided lack of lace or other trimming to relieve the severity of the line at the neck, still it is said that this spring we will enjoy a revival of dainty neck laces—neck accessories, frills and jabots and ruffles. They will be worn with suits and day frocks, and will make use of a lavish amount of beautiful laces.

## WOMAN'S NERVES MADE STRONG

By Lydia E. Pinkham's Vegetable Compound.

Winona, Minn.—"I suffered for more than a year from nervousness, and was so bad I could not rest at night. I would lie awake and get so nervous I would have to get up and walk around and in the morning would be all tired out. I read about Lydia E. Pinkham's Vegetable Compound and thought I would try it. My nervousness soon left me. I sleep well and feel fine in the morning and am able to do my work. I gladly recommend Lydia E. Pinkham's Vegetable Compound to make weak nerves strong."—Mrs. ALBERT SULTZ, 603 Olmstead St., Winona, Minn.

How often do we hear the expression among women, "I am so nervous, I cannot sleep," or "it seems as though I should fly." Such women should profit by Mrs. Sultz's experience and give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial.

For forty years it has been overcoming such serious conditions as displacements, inflammation, ulceration, irregularities, periodic pains, backache, dizziness, and nervous prostration of women, and is now considered the standard remedy for such ailments.

## NURSES ADVISE

Zam-Buk, because they have proved that it does what is claimed for it. Miss E. L. Dorey, graduate nurse, of 3220 Michigan Ave., Chicago, says: "I have a patient who suffered terribly with piles. Zam-Buk is the only remedy that gave her relief."

"I have used Zam-Buk myself for the same ailment, also for sores and burns, and have the greatest confidence in it."

## PALE COLORS FOR THE GIRLS

Blue and Pink the Standard Combination With Mauve and a Favorite Blend.

Pale blue and pink is still the combination for girls of eighteen; mauve and mauve, another happy blend, with accordion-plaited foundations, also finds favor with younger women.

Silver metal lace allied with pale blue velvet ribbons and a posy of flowers are the suggestions for one dainty confection, with long wing sleeves and a many-flounced skirt. For a tall girl there's a dress pretty enough to tempt one to break the tenth commandment.

Of flesh-colored crepe de chine, the V-shaped neck is edged with net, while the sleeves are of georgette. The skirt is made of plain crepe de chine, three rows of pearl fringe giving the triple-skirt effect rather in favor just now. The piece round the waist is also thickly incrustated with motifs of pearl beads.

Another frock is of that romance-inspiring moonlight blue crepe, and the new trimmings are of pompons called les nenettes. Draped tulle is responsible for the sleeves, with scarf-ends held in by a charmeuse belt. On the corsage and top of skirt is a touch of beautiful embroidery.

A Safe Pill for Suffering Women.—The secluded life of women which permits of little healthful exercise, is a fruitful cause of derangements of the stomach and liver and is accountable for the pains and lassitude that so many of them experience. Parmelee's Vegetable Pills will correct irregularities of the digestive organs and restore health and vigor. The most delicate woman can use them with safety, because their action while effective, is mild and soothing.

Imports into Australia and New Zealand totalled \$380,000,000 last year—of which a larger share than ever might well go from Canada.

Our national debt has run from \$46 a head in 1914 to \$270. The C. T. C. suggests the best way of meeting obligations is by exporting more and importing less.
