High Sheriff of Charlotte.

Sheriff's Office, St. Andrews,
June 2, 1856.

TO THE INDEPENDENT ELECTORS

OF THE COUNTY OF CHARLOTTE.

GENTLEMEN,

His Excellency the Lieut. Governor
having in the exercise of his prerogative dis-
solved the House of Assembly, you are now
called upon by his proclamation to elect fit
and proper men to represent your interests,
individually and collectively.

Gentlemen, I have served seventeen years
as one of your representatives, and feel proud
to say, with but few exceptions, to your
entire satisfaction; and if it should be my
pleasure to again return me, I trust I shall
be spared long enough, to complete the full
term of twenty one years.

The old adage is good yet, never misses fire,
and if I do not kill at every shot, I am pretty
sure to hit.

The inhabitants of the Province have, for
the last three years been embroiled with agi-
tation on the temperance question, a question
which in my humble opinion, should never
have been legislated upon—what has grown
out of it? Prohibition, accompanied by acts
of tyranny and oppression, such things will
not do for free born Britons, rouse up then
in your strength, send such men to represent
you, as will allow one and all of you, to sit
under his own vine, and under his own fig
tree, none daring to make him afraid. To
my numerous friends on the Islands, I would
say, be as true to me as I have been to you,
and all will go as smooth as the marriage
ground—don't forget protection to the spinning
hell, the coaling race, which shall be
secured to you so long as I have the honor to
represent you, it is to you a mine of wealth,
it is nature's bountiful feeder, which with
prudence and industry will secure to you, all
the temporal blessings that you can require.

To the Agriculturist, the Lumberman, the
Mechanic and the Merchant, I would say, the
County of Charlotte requires practical men,
men of liberal views to represent them; a true
liberal as a representative is a safe man, a spu-
ritous liberal is to be abhorred, he is ambitious
for his own aggrandizement, and perfectly in-
different as to yours. Religious questions should
if possible, be kept out of the Assembly, they
are productive of no good; but should such
questions unfortunately arise, all denominations
shall receive at my hand equal justice.

The Country is now, and has been for years
curled with a bad system of Education; a
better system was expected from the late ad-
ministration but nothing was done, indeed it
is a difficult subject to grapple with, but let
us hope that the next change will be for the
better, worse it cannot be. The time given
for this Election is so short, I regret that I
cannot call on all the Electors personally, I
will, however make the most use of my time.
I have been unexpectedly called to St. John,
and cannot commence my canvass until the
next week, look out for me, I am coming! I
have my boilers well filled, wooded up, and
if no part of the Engine gives way, I will
dash ahead, keeping always to the right.

The great question now to be decided is Pro-
hibition or no Prohibition, let that be the Pro-
hibition, that is the question on which the
division has taken place, and that question
will be best answered by the men you re-
turn; and I think I am well enough ac-
quainted with you to know that you will do
your duty; you have tried me and proved
me, and all I require, is an opportunity to
be tried again.

I am Gentlemen, very respectfully,

Your old and staunch friend,

JAMES BOYD.

TO THE ELECTORS OF THE

COUNTY OF CHARLOTTE.

GENTLEMEN,
The Representative of our most gracious
Queen having exercised his undoubted
prerogative in dissolving the House of As-
sembly, for the purpose of enabling the peo-
ple to decide the agitated question of the
continuance or repeal of the Prohibitory
Liquor Law; you are now called upon, in
common with the rest of the Province, to
express your opinion as to the propriety of
the step he has taken, and to exercise your
equally undoubted privilege of electing fit
and proper persons to represent you in the
Provincial Parliament.

Having on former occasions been a Can-
didate for your suffrages, and though un-
successful, having received such support as to
induce me to believe that I possessed the
confidence of a large number of the Free
holders of this County, and having again
been strongly urged to offer myself, I have
determined to announce thus early my wil-
lingness to become your Representative,
should you think proper to elect me.

In doing so, I do not hesitate to express
my opinion that the course pursued by
His Excellency the Lieutenant Governor, in
dissolving the late House of Assembly, is
the conduct of the majority of that House
in many instances such as the Prohibitory
Liquor Law—the Education Question, and
the Provincial Railway Scheme unwise,
and inconsistent with the true interests of
the Province.

My opinions on these and other matters
I shall be prepared to declare openly and
fearlessly on the Hustings, and should they
meet with your approbation, I shall feel
proud of the honor of becoming one of
your Representatives and will pledge my-
self to discharge its duties to the best of
my ability.

As from my long residence in this County,
and my having solicited your suffrages
on former occasions, my character and op-
inions must be well known to most of you,
it will not be necessary, nor indeed should
I have time in the short interval before the
Election, to visit you personally at your
homes, but I shall be happy to attend any
meetings that may be held in the different
sections of the County, and explain more
fully my views and sentiments on the sub-
jects which now agitate the public mind.

Should I have the honor to be elected
one of your Representatives, I shall feel it
my duty to make myself particularly ac-
quainted with your legal wants and circum-
stances, and to devote my unwearied at-
tention to the promotion of the interests of
this County in particular, and as far as lies
in my power of the Province in general.

I am Gentlemen,

Your faithful Servant,

GEO. D. STREET.

TO THE FREE AND INDEPENDENT

ELECTORS OF THE COUNTY

OF CHARLOTTE.

GENTLEMEN,

I have been solicited by a great
number of the influential freeholders to come
forward as a candidate for the representation
of this County at the approaching Election;
and have consented to do so.

I formerly, had the honour of being one
of your representatives, for many years; and
believe that you gave me credit, for indepen-
dently and faithfully discharging my legisla-
tive duties without being influenced by pri-
vate or selfish motives; and should I again
be the object of your choice, I will, as I have
ever done, carefully watch over your interests
and as far as in my power, lies protect you
from tyranny and oppression.

I am, Gentlemen,

Your sincere friend,

ROBERT THOMSON.

St. George, 4th June, 1856.

TO THE FREEHOLDERS OF

CHARLOTTE.

GENTLEMEN,

At the forthcoming election of rep-
resentatives for this county, I intend to offer
myself as a candidate for your suffrages.

Time will not permit me to visit you per-
sonally.

My political views have so recently been
expressed both in my address and at the Hus-
tings, that I need not repeat them: I will
again announce them at the Hustings.

The present state of the Province (arising
in a great measure from bad legislation) is
deplorable, and it must be the work of time,
prudence, and retrenchment to restore it to
a better condition.

If you think I can serve you in this em-
ergency you can say so by returning me. I wish
no man to vote for me from personal feeling
to myself, but simply and solely from the con-
sideration that my services may be useful to
the country in its present depression.

Should I be honored by your confidence, I
will not betray it. I will only profess what
I feel—and honestly try to fulfil what I pro-
mise at the Hustings.

I am Gentlemen,

Your obt. servant,

GEO. J. THOMSON.

St. Stephen, 2d June, 1856.
