

**BLACK LEGHORNS,
BLACK DIAMONDS,
BLACK B. R. GAME BANTAMS,
JAPANESE BANTAMS.**

A few chicks for sale after September 1st.

Above have been carefully bred to points of Standard of Excellence, and are offered as first-class stock in every respect. They have all been awarded prizes wherever exhibited, at the leading shows both in Ontario and Quebec, and also in the United States.

Black Diamonds are of comparatively recent origin, and are highly spoken of by everyone who has so far seen them. The cock I have bred from this season was awarded \$10 gold for

Meritorious New Variety,

at the Sherbrooke show last February, which was the first time Black Diamonds were exhibited to the public. They are a large bodied fowl, solid black plumage with a green cast, and short, bright yellow legs, entirely free from feathers.
