DEFINISHNS.

Object: simplificashn ov Orthograpy by, 1, omishn ov yusles letters; 2, reguleshn ov irregular leters; 3, adopshn ov nesesity nū leters.

Thez proseses, carid tu eny degre, produys a coresponding degre ov Amended Speling—completed, the produys Fonetie Speling. We ar tu distinguish, then, Amended Sp., which admits ov infinit degrez, frem Fonetie Sp., which admits ov nun, being simply the last degre ov Amended Speling.

Refermd Speling, Simplifid Speling, Impruvd Speling [and Revizd Sp.] ar jeneral terms aplid tu ether Amended or Fonetie Speling. When eny degre shert ov fonetic speling is ment, the quelificashn PARTLY amended, PARTLY refermd, is understud, if not exprest.

The term 'speling reform' ma refer tu theory ov such reform, or tu the movment which seks tu cary out the theory. In the larjest sens, it includs ol propozls and acts ov ol the organizashns or persns professedly sek- ing tu promot a reform ov sp.

In a restricted sens, it includs only such propozls and acts as hav gend apruvl and suport ov a serin number ov persns uther than ther orijineters and hav therby tendd tu promot actual progres. This reznabl restricshn cuts of numberles futl propozls which aper in this, as in evry uther public ajitashn for reform, but which, not having gend a jeneral sancshn, cannot be consid- erd party doctrin or dajngs.—Ovcors, ol party mezurs orijinet in individual propozls; but eny individual propozl, even when ov gret merit, ofn fals tu obtan party sancshn, and cannot be led tu the party's account until so sancshnd.—Bulletin 19.

—We ment tu se, p. 105, that Orthograpy can at best giv but a mor or les clos aproximet tu Orthoepy. Our em shud be tu get as clos corespondens betwen them as is practicaly posibl. . . Hindu iscuming intu yus insted ov Hindoo, which is tu be met with encurejment as it yuzes u lik uther nashns. Yoo and hoo fer you and who ar retrograd; so ev uther wurd: abolish oo
