Scientific and Useful.
RICE WITH TOMATO.—Wash your rice thoroughly; put it over with plenty of water and boil hard for twenty minutes without stirring; add an equal quantity of stewed and strained tomato; season with salt, butter and cayenne pepper. Serve very hot.
ROAST LOIN OF VEAL.—For the stuffing chop a small onion, a handful of parsley, and fry in butter; add a half-pound of sausage meat; mix with one pint of bread crumbs, salt, pepper and thyme and moisten with two well-beaten eggs. Sew the flap of the meat firmly over the under side to enclose this stuffing. Place in the pan, with salt, pepper, and a pint of broth and baste often.
FOR WHITLQWS, FLENS AND BOILS.—Keep the parts affected covered with a cloth kept moist with Perry's Pain-Expeller till the pain is relieved. Take this medicine internally at the same time.
CINNAMON ROLLS are made by taking the dough just as in the fruit loaf. Spread the roll with butter and sprinkle cinnamon and sugar over it; roll it up tightly; then cut off strips as you would if you were making biscuits; put them into the baking tins, put a little lump of sugar on the top of each one, and sprinkle sugar and cinnamon on each; let them rise until light, and then bake quickly. These are especially nice for tea.
HOW TO TELL GENUINE FLORIDA WATER.—The true Florida Water always comes with a little pamphlet wrapped around each bottle and in the paper of this pamphlet are the words "Lanman & Kemp, New York" water-marked, or stamped in pale, transparent letters. Hold a lamp close to it, and if genuine, you will see the above words. Do not buy if the words are not there, because it is not the real article. The water-mark letters may be very pale, but by looking closely against the light, you cannot fail to see them.
A WISE PRECAUTION.—During the Summer and Fall people are liable to sudden attacks of bowel complaints, and with no prompt remedy or medical aid at hand, life may be in danger. Those whose experience has given them wisdom, always keep Dr. Fowler's Extract of Wild Strawberry at hand for prompt relief, and a physician is seldom required.

Hardened Liver.
 Five years ago I broke down with liver and liver complaint and rheumatism. Since then I have been unable to be about at all. My liver became hard like wood, my limbs were puffed up and filled with water.
 All the best physicians agreed that nothing could cure me. I resolved to try Hop Bitters; I have used seven bottles; the hardness has all gone from my liver, the swelling from my limbs, and it has worked a miracle in my case; otherwise I would have been now in my grave.

TOMATO OMELET.—Scald and skin three ripe tomatoes, quarter them; fry a quarter of an onion (minced) in an ounce of butter, toss the tomatoes in this, add a little water to prevent burning; season with salt, a pinch of cayenne and a very slight suspicion of tance; simmer until reduced to a pulp. Break three eggs separately, beat them together, put them in a frying pan, and when slightly browned on the bottom prepare to fold the omelet; just before doing so, add the tomato pulp and turn the omelet out on a hot dish, surround it with a little tomato sauce and serve.
DUTCH FLUMMERY.—Put one ounce of isinglass or gelatine into a pitcher, pour upon it a pint of boiling water, with two table-spoonfuls of cold water; let it stand a half hour. When it is dissolved put it into a brass saucepan, adding the peel of one lemon and the well-beaten yolks of three eggs; any flavouring, like vanilla or rosewater, and loaf sugar to taste; let it simmer or just boil up together. When this is done put it into a cool place until it is lukewarm, then add the juice of one lemon. Run it through a jelly bag into moulds.

Pov and Suffering.
 "I was dragged down with debt, poverty and suffering for years, caused by a sick family and large bills for doctoring.
 I was completely discouraged, until one year ago, by the advice of my pastor, I commenced using Hop Bitters, and in one month we were all well, and none of us have seen a sick day since, and I want to say to all poor men, you can keep your families well, a year with Hop bitters for less than one doctor's visit will cost. I know it."

A RADICAL CHANGE.—The best eradicator of foul humours of the blood is Burdock Blood Bitters. A few bottles produces a radical change for the better in health and beauty. It removes the blood taint of Scrofula, that terrible disease so common in this country.
CORN FRITTERS.—Ingredients—One and a half dozen ears of corn, three large table-spoonfuls of flour, three eggs, seasoning, lard and butter to fry them. Grate the grains of corn off the cob as fine as possible. Mix with the grated corn, the flour, seasoning, and eggs well beaten. Let all be well incorporated by hard beating. Have ready in a frying-pan an equal proportion of lard and fresh butter. Hold it over the fire until boiling hot, and then put in the mixture as nearly as possible in shape and size like a fried oyster. Fry them brown, and send them to table hot. They should be about an inch thick. They are a nice breakfast or supper dish.
