

Words of the Wise.

I CAN endure everything, but I cannot abandon the Holy Scriptures.—*Luther.*

GOD intends not to deny us His comforts, but to instruct us how to value them.

THEY must keep close to the throne of grace who would win the throne of glory.

HE may without danger be ignorant of other things that knows the Lord Jesus Christ.

FARADAY found God, and Christ through God. Kingsley found Christ, and God through Christ.

THERE ARE MANY Cough Mixtures, but only one Allen's Lung Balsam; try it.

WHATEVER becomes of my body or my estate, I will ever labour to find somewhat added to the stature of my soul.

A SEVENTH part of our time is all spent in heaven when we are duly zealous for, and zealous on, the Sabbath of God.

LIVE for something. Do good and leave behind you a monument of virtue that the storm of time can never destroy.—*Chalmers.*

LIFE is before you; not an earthly life alone, but an endless life; a thread running interminably through the work of eternity.

CHRIST will not cast water on your smoking coat. He never yet put out a dim candle that was lighted at the Sun of Righteousness.

FAITH, though weak, is still faith; a glimmering taper is not a glowing torch; but the taper may give light as truly as the torch, though not so brightly.—*H. Muller.*

WATSON'S COUGH DROPS will give instant relief to those suffering from colds, hoarseness, sore throat, etc., and are invaluable to orators and preachers. The letters R. A. T. W. are stamped on each drop.

To be knit to God by love is better, religiously speaking, than to speculate about Him, however rightly, as an abstract being.—*Canon Liddon.*

CHRIST is such a friend as delights to be burdened with suits and employments, and the more you lay on Him, and the more homely (familiar) you are with Him the more welcome.

GOD allows each man to spin his own thread of action in this life, and yet He binds all the threads of man's action into the cable which draws on the chariot of His purposes.

In Nervous Debility.

Dr. W. J. Burt, Austin, Texas, says: "I used it in a case of nervous debility, and very great improvement followed."

GOD's memory where he keeps His children's gifts will be like many a mother's store of relics of her children, full of things of no value to others, but precious in His eyes for the love's sake that was in them.

CHRIST wants no pressed men in His army. "Must" is not in the Christian vocabulary, except as expressing the sweet constraint which bows the will of Him who loves to harmony, which is joy, with the will of Him who is loved. Christ takes no offering which the giver is not glad to render.

A SIGNIFICANT FACT.—The worn out, waste and poisonous matter in the system should escape through the secretions of the bowels, kidneys and skin, or serious disease results. B. B. B. opens these natural outlets to remove disease.

IT is the emphasis on worship that holds the members and the masses so true to the Papal Church, despite its errors. It is this that has been the chief reason of the growth in the Episcopal Church, despite its prelate and sacramentarianism. And this is what the Church for the times must emphasize if it would hold its congregations.—*J. B. Druce, D.D.*

PREVAILING SICKNESS. The most prevailing complaints at this season are rheumatism, neuralgia, sore throat, inflammation and congestions. For all these and other painful troubles Haygard's Yellow Oil is the best internal and external remedy.

THE true Church is evangelical in fervour, historical in doctrine and ritual, and wise and broad and critical in sympathy. No Church can, without injury, separate itself from the past—the inherited beliefs and traditions of Christendom; and no Church, now at least, can grow at all, and become an intelligent, as apart from a superstitious power in the world without recognizing the influence of criticism and of rational judgment in all the traditions which have come to it from the beginning.—*John Tuller, D.D.*
