### PAIN'S CELERY COMPOUND

ACTS AT THE SAME TIME ON THE NERVES, THE LIVER, THE BOWELS, and the KIDNEYS

This combined action gives it wonderful power to cure all diseases.

### Why Are We Sick?

Because we allow the nerves to remain weakened and irritated, and these great organs to become clogged or torpid, and poisonous humors are therefore forced into the blood that should be expelled naturally.

### PAIN'S CELERY COMPOUND

WILL CURE BILIOUSNESS, PILES, CONSTIPATION, KIDNEY COMPLAINTS, URINARY DISEASES, FEMALE WEAKNESS, RHEUMATISM, NEURALGIA, AND ALL NERVOUS DISORDERS.

By quieting and strengthening the nerves, and causing free action of the liver, bowels, and kidneys, and restoring their power to throw off disease.

Why suffer Bilious Pains and Aches? Why tormented with Piles, Constipation? Why frightened over Disordered Kidneys? Why endure nervous or sick headaches? Why have sleepless nights?

Use PAIN'S CELERY COMPOUND and rejoice in health. It is an entirely vegetable remedy, harmless in all cases.

Sold by all Druggists. Price \$1.00. Six for \$5.00.

### CATARRH.

A New Home Treatment for the Cure of Catarrh, Catarrhal Deafness, and Hay Fever.

The microscope has proved that these diseases are contagious, and that they are due to the presence of living parasites in the lining membrane of the upper air passages and eustachian tubes. The eminent scientists—Tyndall, Huxley and Beale—endorse this, and these authorities cannot be disputed. The regular method of treating these diseases is to apply an irritant remedy weekly and even daily, thus keeping the delicate membrane in a constant state of irritation, accompanied by violent sneezing, allowing it no chance to heal and as a natural consequence of such treatment not one permanent cure has ever been recorded. It is an absolute fact that these diseases cannot be cured by an application made oftener than once in two weeks, for the membrane must get a chance to heal before any application is repeated. It is now seven years since Mr. Dixon discovered the parasite in catarrh and formulated his new treatment, and since then his remedy has become a household word in every country where the English language is spoken. Cures effected by him seven years ago are cures still, there having been no return of the disease. So high are these remedies valued, and so great is the demand for them, that ignorant imitators have started up everywhere, pretending to destroy a parasite—of which they know nothing—by remedying the results of the application of which they are equally ignorant. Mr. Dixon's remedy is applied only once in two weeks, and from one to three applications effect a permanent cure in the most aggravated cases. N.B.—For catarrhal troubles peculiar to females this remedy is a specific. Mr. Dixon sends a pamphlet describing his new treatment on the receipt of ten cents in stamps. The address is A. H. Dixon & Son, 303 King Street West, Toronto, Canada.—Scientific American.

Sufferers from catarrhal troubles should carefully read the above.

TO CLEAN STEEL.—Rub the article with a piece of wash leather dipped in kerosene.

CAMPBELL'S CATHARTIC COMPOUND is pleasant to the taste, and more satisfactory than pills.

A CHEAP BREAKFAST DISH.—Stale bread may be made into a palatable dish for breakfast by dipping it in batter and then frying in lard or butter. Make the batter with eggs—a teaspoonful of corn starch mixed in a tablespoonful of milk to each egg. A little salt should be added.

A BOTTLE of the "Lotus of the Nile" is a most acceptable present to a lady.

PERRY DAVIS' PAIN EXPELLER.—Its effects are almost instantaneous, affording relief from the most intense pain.

CHOCOLATE CARAMELS.—One cup grated chocolate, two of molasses, two of milk, four of sugar, butter the size of an egg, a pinch of sugar and of flour; boil half an hour, stirring constantly to keep from burning. Pour in buttered pans, and when nearly cold mark into squares with a silver case knife.

FOR Bronchial and Throat Affections, Allen's Lung Balsam is unequalled.

CLEANING WINDOWS IN WINTER.—Windows can be cleaned in winter and the frost entirely removed by using a gill of alcohol to a pint of hot water. Clean quickly and rub dry with a warm chamois skin. If this item is of no practical use this winter, as seems slightly probable, cut it out and keep it for next.

AN Extended Popularity.—BROWN'S BRONCHIAL TROCHES have been before the public many years. They are pronounced universally superior to all other articles used for similar purposes. For relieving Coughs, Colds and Throat Diseases they have been proved reliable. Sold only in boxes. Price 25 cents.

"Best cure for cold, cough, consumption" is the old Vegetable Pulmonary Balsam. Cutter Bros. & Co. Boston. For \$1 at large bottle sent prepaid.

CARAMEL COFFEE.—To three-fourths of a cup molasses, add four cups cornmeal and two cups bran. Mix thoroughly and brown in the oven till crisp. For one quart of coffee pour as much boiling water to one-half cup of the browned mixture, and let boil a few minutes. With the addition of cream it is excellent.

For Rickets, Marasmus, and all Wasting Disorders of Children

Scott's Emulsion of Pure Cod Liver Oil, with Hypophosphites, is unequalled. The rapidity with which children gain flesh and strength upon it is very wonderful. "I have used Scott's Emulsion in cases of Rickets and Marasmus of long standing. In every case the improvement was marked."—J. H. MAIN, M.D., New York. Put up in 50c. and \$1 size.

VANILLA JUMBLES.—One cup of butter, two of sugar, three of eggs, one spoonful of vanilla, and flour enough to roll out. Roll as thin as the blade of a knife and cut with an oval cutter. Bake on in sheets in a quick oven until a dark brown. These jumbles will keep for a year if put in a tin box and in a dry place.

A DISPENSING Cough often causes the friends of the sufferer as much pain as the sufferer himself, and should receive immediate attention. DR. WISTAR'S BALSAM OF WILD CHERRY speedily cures coughs, colds, influenza, sore throat, etc.; and in many well-attested cases it has effected a perfect cure of consumption.

PARCHI TAPIOCA.—Soak for several hours a cup of tapioca in cold water to cover it; bring slowly to the boiling point, and let it simmer till quite transparent. Pour it over a cup of fresh or canned peaches in a deep pudding dish, and bake. Apples or other fruits may be substituted. Eat with sugar and whipped cream.

### Why Our Large Hotels Are Successful.

We should have included in the above heading our Caterers, for among the list are the following, Rossin House, Harry Webb, the Queen's Hotel, George S. McConkey, Thomas' European Hotel and Henry Ruthven, of Toronto, and the Royal Hotel; W. Newport, and James Crawford, of Hamilton, who are a few well known and very successful business men who use imperial baking powder and will have no other. This fact alone accounts very largely for the superiority of their tables.

FRICATELLE.—Chop raw fresh pork very fine, add a little salt, plenty of pepper and two onions chopped fine; heat as much bread as there is meat, soaked until it is soft, mix well together; make into oblong patties and fry like oysters. Serve for breakfast or supper with sliced lemon or some kind of dainty pickles.

### CONSUMPTION CURED.

An old physician, retired from practice, having had placed in his hands by an East India Missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all Throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. NOYES, 149 Powers Block, Rochester, N.Y.

POTATOES.—Slice cold boiled potatoes. A saucerful is enough for a large mess. Into the fryingpan put a tablespoonful of butter or fat. Slice in an onion, and fry it a minute. Push the onion to one side of the pan, and put in two teaspoonfuls of flour. Stir the flour till it is brown, then pour in quickly a cup of cold milk and rub smoothly. As the gravy thickens add more milk or water till it is as thick as good gravy should be. Add salt and pepper. Then pour in the sliced potatoes, cover and set back on the stove till they are hot. Serve in a pretty dish.
