**unfortunate**

Cod-liver oil suggests consumption, which is almost unfortunate.

Its best use is before you fear consumption; when you begin to get thin, weak, run down; then is the prudent time to begin to take care, and the best way to take care is to supply the system with needed fat and strength. **Scott's Emulsion** of cod-liver oil, with hypophosphites, will bring back plumpness to those who have lost it, and make strength where raw cod-liver oil would be a burden.

A substitute only imitates the original.

**PRESBYTERTY MEETING.**

HURON: This Presbytery met in Goderich on the 14th of July. Mr. J. A. McDonald was appointed Moderator for the ensuing six months. Commissioners to the Assembly reported their attendance in due form. The Rev. R. Weir, by leave of the Assembly, was formally received as a minister of this church. Mr. Fowlie, B.A., Theological student, read a discourse which was cordially sustained, and he was ordained to be certified to the Senate of Knox College. The standing committees were appointed, of which the following are the conveners: viz., Home Missions, Mr. Acheson; Church Life and Work, Mr. Muir; Sabbath Schools, Mr. Shaw; Finance, Mr. J. A. Hamilton; Christian Endeavor, Mr. Fletcher; Superintendent of Students, Dr. McDonald.—A. McLEAN, Clerk.

**CONQUESTS FOR MEDICAL SCIENCE**

A Bad Heart — Chronic Catarrh — Vanish at the Touch of Dr. Agnew's Wonderful Cures.

"I tried Dr. Agnew's Cure for the Heart and obtained immediate relief. I have taken four bottles and now am entirely free from every symptom of heart trouble, and I hope that this statement may induce others troubled as I was to give this most valuable remedy a trial," writes Thomas Petty, of Aylmer, Que. You can readily verify any testimonial quoted in commending this wonderful discovery of modern medical science. Thousands have tested its curative qualities after having "doctored" for years, and were pronounced hopeless cases. If as a last resort it has proved such a boon, what sufferings would be spared, if when the slightest uneasiness at the heart is experienced, Dr. Agnew's Heart Cure were tried.

CATARRH.—"I should not feel that I was doing my duty did I not recommend Dr. Agnew's Catarrhal Powder to every one," writes George Lewis, Shamokin, Pa., and think that an average of eighty to ninety in every hundred whose eyes will meet this is to a lesser or greater degree affected by this insidious disease. There is only one safe, sure and harmless cure—Dr. Agnew's Catarrhal Powder. No case so slight that you can afford to neglect to use the remedy. No case so acute or deep seated that it will not relieve and absolutely cure; no catarrh remedy has worked such marvellous cures; no remedy has had so much good said of it, and no remedy has the high endorsement of the medical profession it enjoys, and your case is not hopeless while Dr. Agnew's Catarrhal Cure is to be had.
