DEDERICK'S HAY PRESSES.

Manufactory at 90 College Street, Montreal, P. Q. Address for circular P. K. DEDERICK & CO., Albany, N. Y.

M. B.—Other manufacturers combined against the original patentee (Dedrick), to appropriate his continuous sale chamber, falsely publish challenges and premiums over Dedrick. Get any of them if you can, on any conditions, to meet in the field the inventor of the press they copy. Dedrick guarantees his press the best, or failing will buy the best for the customer. Give the inventor of the continuous press at least a competitor's chance during the time for which his patent was granted. Unquestionably the invention has greatly benefited the public.
