

*You
Need
It and
Don't
Know
It . .*

A Fact.

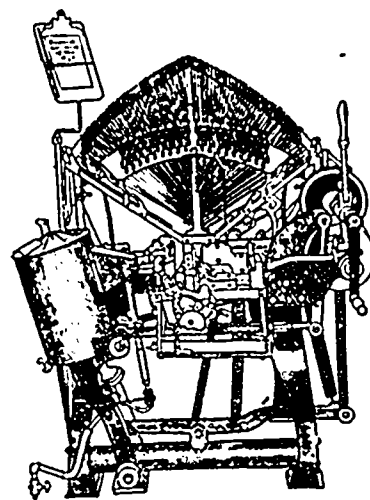

The use of it in the future will teach you how much you've needed it in the past. We mean the

ROGERS— TYPOGRAPH.

Any Publisher using it will tell you as much. It is a money-getter for all who employ it. If you don't know all about it, let us tell you of its good points—it has no bad ones.
