

alcohol, Jamaica rum, sour beer, or vinegar, which are everywhere offered for sale. Again, they are of uniform strength, and their virtues can never be impaired by age. They are also made from fresh herbs and roots, gathered in their appropriate season, when they are flush with medicinal properties. In support of these claims, the following testimony is offered:—

R. V. PIERCE, M. D.: Dear Sir,—I have sold a great deal of your excellent remedies, and I prefer to sell them before others, because they give good satisfaction to those who use them. I hear such remarks as "Sage's Remedy completely cured me; it is a splendid thing;" or, "Pierce's Discovery is just what I wanted; I feel better than I ever did." One of our celebrated singers uses it for strengthening her voice, and says "there is nothing equals it;" and so I might give scores of remarks said about your preparations. A colored woman was using your Discovery, and after taking three bottles was completely cured. She, being in the store, said to me, "I don't want no doctors 'round me so long as I can get the Discovery; it beats all your doctors." And so I might go on.

WHERE THE SECRET LIES.—Very many diseases have their origin in a depraved condition of the blood. The terrible taint of Scrofula, which is of course hereditary, prevails to an alarming extent, and the only way in which it can be cured, is by cleansing the blood, and restoring its vitality; to do this use WINGATE'S BLOOD PURIFIER.
