## Genuine Fibre Chamois Interlining

Gives the dressmaker unlimited latitude in which to make the most pleasing fashionable effects, supplies tone to the finish and shape to the form. It not only drapes and shapes the folds to the same perfection as they are pictured in the fashion plates, but keeps them in perfect shape, FREE FROM CREASES AND CRUSHING WHEN PACKED, SAT ON OR OTHERWISE CRUSHED, AND THOROUGHLY PROTECTS AND PRESERVES THE MATERIAL AT ALL TIMES UNDER ALL CONDITIONS.

Dressmakers who have had experience using all the different interlinings now use only **GENUINE FIBRE CHAMOIS** for all their skirts, puff, butterfly wing sleeves, interlinings, etc., and now enjoy the happy dream of peace and quietness, with the full knowledge that all garments which they have interlined with the **Genuine Fibre Chamois** can absolutely be depended on, and that all their labor, skill and material have not been ruined by some poor imitation which has been palmed off on them for the sake of the saving of a few cents.
