"I find St. Leon an  
excellent remedy; builds

**Electricity as Applied by The  
Owen Electric Belt and  
Appliances**

Is now recognized as the greatest boon offered to suf-  
fering humanity. IT HAS, DOES AND WILL effect  
cures in seemingly hopeless cases where every other  
known means has failed. By its steady, soothing  
current, that is easily felt, it will cure:

**We Challenge the World**

To show an Electric Belt where the current is under  
the control of the patient as completely as this. We  
can use the same belt on an infant that we would on a  
giant by simply reducing the number of cells. Ordina-  
ry belts are not so.

**Beware of Imitations and  
Cheap Belts.**

We desire to warn the public against purchasing  
worthless imitations of the Genuine Owen Electric  
Belt that has stood the test of years and has a con-  
tinental reputation. The portrait of Dr. A. Owen is  
embossed in gold upon every belt and appliance  
manufactured by us. None genuine without it.

**Geo. C. Pitzer, M.D.**

Professor of the Theory and Practice of Medicine in  
the American Medical College, St. Louis, author of  
"Electricity in Medicine and Surgery," says:—

"St. Louis, Mo., June 10, 1886.

"I take pleasure in stating that I have examined  
and tested Dr. Owen's Electro-Galvanic Belt and  
appliance, and do not hesitate to say that it is the  
most practical and efficient of all the galvanic belts I  
have used in my practice.

"Geo. C. Pitzer, M.D., 1120 Chambers St."

Dr. Pitzer is considered the best authority we have  
in the world on electricity.
