

FOREIGN INTELLIGENCE.

FRANCE.

PARIS, April 27.—The southern forts are badly damaged. Versailles projectiles fall inside the ramparts of the city. A great many people have been killed and wounded. M. Thiers announced in a circular that active operations commenced yesterday. Forts Vanvres and Issy were fired on, and it is presumed the latter will soon be silenced.

The Temps proposes that Paris shall elect delegates to decide whether civil war shall continue or cease. It also proposes that a new Commune be elected according to the law passed at Versailles, to treat for the maintenance of the Republic, Municipal liberties in Paris, and a general amnesty.

The Mot d'Ordre says the Communists will blow up the forts if it should become a necessity.

The Commune announces that it has made arrangements for the ample provisioning of Paris, and that prices will speedily fall.

An official statement of the losses of the Communists up to Thursday sum up 9,000 in killed and wounded, besides 3,000 prisoners.

The Mot d'Ordre alleges that the people of Toulouse have risen in insurrection and that many of the streets are filled with barricades.

The Revue says the daily revenue of the Commune averages six hundred thousand francs, and is sufficient to provide for the men under them and the conduct of the war.

A delegation from Lyons appeals to the Assembly and Commune to cease their fratricidal strife.

The Sociale, a new evening journal, demands that the Commune shall proclaim the abolition of inheritance. The Cri du Peuple applauds this project.

It would appear from the last of the many circulars which have been published by M. Thiers that the greater portion of the army which was forced to surrender at Metz has been concentrated and recognized, and will immediately take part in the great operations against the communists of Paris, which are expected to bring the hideous antics of insurgents to a disastrous close.

Stardling news may soon be anticipated consequently from the beleaguered capital, the drama being about to end in a whirlwind of fire and blood.

It is now admitted that government is unable to pay the Germans the first instalment on the indemnity long since due.

ITALY.

ROME.—THE POPE'S ANNIVERSARY.—I hear on reliable authority that at least 50,000 persons have announced their intention of coming in pilgrimage to Rome for the 16th of June, should our Holy Father be, in God's mercy, spared so long to the Church, of which, humbly speaking, there is every hope. They will do well to notify their intentions to their respective Governments, and to provide themselves with regular passports, as the Italian Government is already taking alarm at the movement, and is prepared, through its faithful allies, the Garibaldians, to give the pilgrims every sort of annoyance, as it did for the Centenary of 1867.—Corr. Tablet.

The Young Men's Christian Association at Indianapolis occupy rooms formerly used as a bar bank, and even now many young men frequently stagger in of evenings, and call for "a stack of reds."

A Michigan church has organized an anti-chignon society.

The coal strike is just about over. The difficulties between masters and workmen are already nearly adjusted.

BROTHER ARNOLD'S BAZAAR!

GRAND BAZAAR & DRAWING OF PRIZES.

IN THE

LA SALLE INSTITUTE, TORONTO,

ON

WEDNESDAY, THURSDAY, FRIDAY AND SATURDAY,

28th, 29th and 30th June, and 1st July, 1871.

To raise funds for liquidating the debt incurred in the purchase of the Building formerly known as the Bank of Upper Canada, by the Brothers of the Christian Schools, for an Academy—BROTHER ARNOLD, DIRECTOR.

Being urged by their good Ancestors, and the many friends of their Institute, to purchase this magnificent structure, for the Glory of God, and the advancement of Education, the Brothers feel confident that as this is their first appeal to the public since their arrival in America, it will be kindly responded to.

The following is taken from the TRUE WITNESS of February 19, 1871:—

MONTREAL, FEAST OF ST. AGATHA, 1871.

DEAR SIR,—In the present age of the world when Christian education is more than ever necessary to qualify and prepare the rising generation for the mighty struggle that is going on in the whole world over between the Church and the World, God and the Devil, the deepest and holiest sympathies of the Catholic heart are with those heroic orders of men and women who are devoting their lives to the great work of education. Amongst these the Brothers of the Christian Schools hold, as every one knows, a place second to none. For high fully two hundred years have they labored heart and soul in carrying out the benign intention of their saintly founder, the Venerable De La Salle in forming the minds and hearts of children according to the teachings of the Gospel. There is scarce a country in the civilized world wherein they are not to be found pursuing their heavenly task; in silence and humility they journey on through the world, shedding light and peace all around them, and casting broadcast on the earth the beneficent seeds of Gospel truth and its sublime morality.

These remarks have been suggested to us by news that has reached us from Toronto, viz:—that the Christian Brothers there have purchased the large building known as the Bank of Upper Canada, which, from its size, will enable them to receive a much more greater number of pupils in that city, hitherto all but exclusively Protestant, but having now a considerable, and still-increasing population. In order to pay at least a portion of the purchase money, Brother Arnold, the active and energetic Director of the De La Salle Institute of Toronto,

has inaugurated a Grand Bazaar to be held on the three last days of June and the 1st of July next, the drawing of prizes to be made on the same principle as those of the Art Union. Altogether the Bazaar will be one of the most important in its results, and interesting in its associations that can be imagined. Every Catholic who can, ought to make it a duty to second this praiseworthy effort, to provide a noble educational establishment for the Catholic boys of Toronto. The Catholic population there is not wealthy, yet from its numbers it requires large schools, and it ought to be the pride and pleasure of Catholics every where to contribute to so admirable an undertaking as that of the good Brothers of Toronto.

Tickets are also for sale in Toronto by Messrs. A. & S. Nordheimer, King street East; A. S. Irving, King-st. West; T. O'Connor, King-st. P. Doyle, Arcade; C. A. Backus, Toronto-st.; J. Birmingham, Ottawa; M. Fahy, Kingston; Messrs. D. & J. Sandler, Montreal.

MURRAY & LANMAN'S FLORIDA WATER.—Chemistry evolves coarse imitations of the scent of flowers from many revolting ingredients; but the refreshing odor which exhales from Nature's floral centers, as they swing in the breezes of the tropics, cannot be simulated. Hence the superiority of this celebrated perfume, the concentrated essence of flowers, gathered in the groves of Florida, over other scented waters; hence, too, the tenacity with which it clings without change, to whatever it touches. We know of nothing that can approach it in delicacy and imperishability, except the finest French extracts; and the Florida water is preferred by the ladies of South and Central America, Mexico, and the West Indies, to even the best of them. It costs, we believe only about half the price.

Beware of counterfeits; always ask for the legitimate Murray & Lanman's Florida Water, prepared only by Lanman & Kemp, New York. All others are worthless.

NEARLY EATEN UP ALIVE.—Who has not heard of the case of Martha Whitney, of Buffalo, New York? She was attacked by scrofula of the most rapid, deadly, and loathsome type. Vast ulcers, that deepened daily, consumed the flesh of her lower limbs. The very bones rotted. Ten months she lay on her bed, wasting to a skeleton. Physicians were summoned from far and near. All gave her up. She played for death. At this juncture Bristol's Sarsaparilla was recommended. It saved her, as it has saved thousands before her. The plague was stopped. The sores healed and cicatrized. Her appetite and strength returned. In short her health and cheerfulness were thoroughly restored, and she has ever since enjoyed those supreme earthly blessings, soundness of body and content of mind. For every form of scrofula, cancer, tumors, abscess, and rheumatism Bristol's Sarsaparilla is announced, with the assent of the Faculty, as the most prompt and certain of all known remedies. For sale by 380—J. F. Henry & Co., Montreal, General Agents for Canada. For sale in Montreal by Devins & Bolton, Lamplough & Campbell, Davidson & Co., K. Campbell & Co., J. Gardner, J. A. Harle, Picault & Son, J. Goulden, R. S. Latham, and all dealers in medicine.

PAINLESS OPERATION.—No family cathartic has ever deserved or received the praise which has been awarded to Bristol's Sugar Coated Pills, both by physicians and patients. The testimonials to their efficacy and entire freedom from all objectionable properties are from the very highest and most cautious medical authorities. Their great merit, according to those witnesses, is that they not only cleanse the stomach and bowels, but obviate the necessity for continual purgation. In other words, they give a tone and permanent vigor to those organs, which enable them to fulfill their functions naturally, without being urged to their work

by a frequent resort to the original curative. This is a matter of vast importance. Moreover, they do not reduce the general strength, as all mineral purgatives do, nor involve pain nor nausea in the operation. Hence they are invaluable for women, children, and aged persons. In all cases arising from, or aggravated by impure blood or humors, Bristol's Sarsaparilla should be used in connection with the 434 Pills.

Agents for Montreal—Devins & Bolton, Lamplough & Campbell, Davidson & Co., K. Campbell & Co., J. Gardner, J. A. Harle, H. B. Gray, Picault & Son, J. Goulden, R. S. Latham, and all dealers in medicine.

Agents WANTED FOR THE PATENT EYE CUPS.

SPECTACLES RENDERED USELESS, CHRONIC SORE EYES CURED, and all diseases of the eye successfully treated, "cure guaranteed," by the greatest invention of the age, DR. J. BALL & CO'S PATENT EYE CUPS.

The value of the celebrated and well known Patent Eye Cups for the restoration of Sight, breaks out and blazes in the evidences of over 6,000 testimonials of cures, and recommended by more than 1,000 of our best physicians in their practice.

The Patent Eye Cups are a scientific and philosophical discovery, and as Mayor Ellis, of Dayton, Ohio, writes, they are certainly the greatest invention of the age.

Certificates of cures performed by the application of Dr. J. Ball & Co's Patent Ivory and Lignum Vitae Eye Cups:

CLAYVILLE, Washington Co., Pa., October 29, 1870. Dr. J. BALL & Co., Gentlemen:—I have now thoroughly tested and proved the Patent Eye Cups. They are the ne plus ultra of all treatments of impaired vision, from advanced life or other causes, and an invariable cure for Myopia of Near-Sightedness.

I have in the last few days entirely cured several cases both of Acute and what is called Chronic Inflammation. Those had tried every known and available species of treatment without the slightest benefit, but, on the contrary, detrimental and great expense.

My mother, an old lady of 64 years, is an enthusiastic advocate of the Cups. Three months ago she could not read a letter or letters as large as her thumb, as she sometimes expresses herself. Certain it is that her eyes were unusually old and worn beyond her years, to such an extent that she could not read the heading of the New York Tribune without her glasses. You may judge, therefore, the effect of the Cups when I inform you that she can now read every portion of the Tribune, even the small diamond type without her glasses; you can not imagine her pleasure.

The business is beginning to assume something like form and shape. Have inquiries from all directions, and often great distances, in regard to the nature of Cups and plan of treatment. Wherever I go with them they create intense excitement. But a few words are necessary to enlist an attentive audience, anywhere that people can be found. I was at our fair last Tuesday, 27th inst., and can safely say that I myself (or rather the Eye Cups) was no in a portion of the attraction of the occasion. I sold and effected sales liberally. They will make money, and make it fast, too; no small catch-penny affair, but a superb, No. 1 tip-top business, that promises, so far as I can see, to be life long.

Yours respectfully, HORACE B. DURANT, M.D.

CLEAR CREEK, N.C., Oct. 21, 1870.

Dr. J. BALL & Co., Gentlemen:—I have been making experiments with the Patent Eye Cups I received, and found they are just what you represented them to be.

As for my own eyes, I am happy to say that I can now read and write without my spectacles. My wife could see to thread her needle after applying the Patent Eye Cups for the third time to her eyes.

I have made a trial on an eye that had been totally blind for 14 years. The man can now begin to see out of it. The Cups will restore his sight.

Your true friend, REV. E. C. WILLIAMS.

MERTSALEM, Davie Co., N. C., Oct. 27, 1870.

Dr. J. BALL & Co., Gentlemen:—I have used your Patent Ivory Eye Cups for ten days, and I now write those lines without any spectacles, which I have not done before in fifteen years. It is not worth while for me to say to you that I am thankful, for I hardly feel like the same man. I feel better all over.

Yours very respectfully, ELDER S. A. DANIEL.

PARK HILL, Ontario, Canada, March 29, '71.

Dr. J. BALL & Co., Gentlemen:—I received yesterday by Express your Patent Ivory Eye Cups.

I have applied the Eye Cups to my own eyes twice and they have wonderfully improved my sight.

I have been using Glasses of 18 inches focus, but this morning they are of no use to me. I can now write this letter and read without them.

I feel delighted for the restoration of my Eye Sight, and I am satisfied the Patent Eye Cups are the right thing, and a perfect success. I am yours gratefully, REV. A. MARTELL.

Reader, these are a few certificates out of thousands we receive, and to the aged we will guarantee your old and diseased eyes can be made new; your sight may be restored; the blind may see; spectacles be discarded; sight restored and vision preserved. Spectacles and surgical operations useless.

All persons wishing for full particulars, certificates of cures, prices, &c., will please send their address to us, and we will send our treatise on the Eye, of forty-four pages, free by return mail. Write to DR. J. BALL & CO., P. O. Box 957, No. 91 Liberty Street, New York.

Agents wanted for every County in the United States not yet disposed of.

HONESTY THE BEST POLICY.

Daily Experience confirms the truth of the pithy OLD ADAGE, Honesty the Best Policy.

The golden rule claims for itself universal application; and scarcely does it know an exception. By far the best is an HONEST POLICY

in all Business transactions. Could it be more infused into the COMMERCIAL ELEMENT

of the present day, we might soon triumph over the absence of that TRICKERY AND DISSIMULATION

which are so deplorably characteristic of this our progressive age, and which militate so much against our TRADING INTERESTS.

J. C. KENNEDY, 31 St. Lawrence Street,

In all his transactions, takes this as his Motto, "HONESTY THE BEST POLICY," and from the great success resulting from his efforts to establish a Business on

RIGHT PRINCIPLES, the most convincing proof is not wanting that a discerning Public is ever ready to recognize and support

HONEST UPRIGHT POLICY, combined with Prices that will stand the test of the FIERCEST COMPETITION!

A Trial will Prove the Fact. JUST RECEIVED EX "PRUSSIAN."

A splendid assortment of NEW GOODS, which will be made to measure at our usual LOW CHARGES. All desiring GOOD FITTING Clothing go to J. G. KENNEDY & CO., PRACTICAL TAILORS AND OUTFITTERS, 31 St. LAWRENCE STREET.

LONGMOORE & WILSON, PRINTERS, 42 St. JOHN STREET, MONTREAL.

EVERY DESCRIPTION OF PRINTING EXECUTED NEATLY AND PROMPTLY.
