prices tending upwards. Spanish sole we

No. 2, 24 to 26c.; slaughter, heavy, is also 1c.
per lb. advanced to 26 to 28c. The demand
chiefly is for No. 3 Spanish. There have been
some large orders for sole received from manu-
facturers in Quebec and Montreal. There is
a good enquiry here for all kinds of heavy job-
bing leather. Splits and uppers are in good
request and scarce.**OILS AND PAINTS.**—In these lines business
is improving; prices are firm and tending
higher with every prospect of being sustained
and a good fall trade secured. For cod oil we

now beginning, with prices very firm at figures
quoted, and a declared upward tendency. The
only change to note is for Canadian, f.o.b. at

per imperial gallon.**PROVISIONS.**—In this market the trade doing
is quiet but steady. Dairy produce is not
active, choice butter is in moderate supply and
in demand at 14 to 15c. per lb., but the whole
enquiry is confined to this grade, inferior
grades being totally neglected; cheese is still
quoted at 8½ to 9½c. per lb., with very little
doing; eggs have been easier at 14½ to 15c. per
dozen, but feeling a trifle firmer to-day for dis-
tinctly fresh selected. In hog products the
business being done is satisfactory, and prices
all round are as quoted last week; long clear
bacon selling at 8½ to 8¾c.; hams 12½c.; break-
fast bacon 11 to 11½c. per lb. Lard still con-
tinues dull at 9 to 9½c. per lb.**WOOL.**—The trade doing in wool is of a very
limited nature and purely local, the wants of
the mills being considerably restricted. Our
prices as quoted however continue firm.**FOR SALE BY TENDER.****THE MERRITTON COTTON MILLS**
