A BOOK OF THRILLING INTEREST FOR EVERY CANADIAN READER.

We have just issued from our presses this stirring volume, in which the intrepid missionary, widely known for his work among the North-west Indians and the efficient aid rendered the Government in the disquieting times of the uprising of 1855, tells the many exciting incidents crowded into his early life in the Canadian North-west. His chapters present a vivid and faithful portraiture of a condition of things now passed away.
