

nev - er a care, To en - ter the lives of those dwell - ing there...
heart longs to share, To rest in the midst of Na - ture so fair....

rall.

REFRAIN.

In wood - land, in wood - land, there I would live and die;..... In

wood - land, in wood - land, there shall I nev - er sigh;..... At

rit.

sun - rise and sun - set, mel - o - dy fills the air;..... In

a tempo.

wood - land, in wood - land, Would I were ev - er there;.....

rit. *p* *f*
