Mr. Speaker: I declare the amendment to the amendment lost.

Mr. McRae: Mr. Speaker, I rise on a point of order. I was a little disturbed at the voting procedure. As far as I could tell the Hon. Member for Spadina (Mr. Heap) came in when you were well into reading the motion, took his seat and voted. Two other Members right behind him stayed at the back and did not vote. I just wonder if we should look at that procedure and see whether that vote should be counted.

Mr. Heap: Mr. Speaker, I did come in while you were reading the motion. I heard the motion but I came in while you were reading it.

Mr. Speaker: Is that acceptable? In the circumstances—The Hon. Member for Yukon (Mr. Nielsen).

Mr. Nielsen: I believe the Government House Leader will be rising on a point of order, Mr. Speaker.

Mr. Speaker: Would the Hon. Member please take his seat? In the circumstances the Chair is going to allow the vote of the Hon. Member for Spadina to stand.

Mr. Pinard: Mr. Speaker, I just wanted to be polite and let you rule on the point of order raised by the Hon. Member for Thunder Bay-Atikokan (Mr. McRae). That is why I was waiting to rise.

Mr. McDermid: He was not saying anything.

Mr. Pinard: Yes, I know.

Mr. Speaker: The Chair has difficulty in reading the minds of Hon. Members.

Mr. Pinard: Mr. Speaker, I realized you were about to say something.
