

October 25, 1937

My dear Mr. Bassett:

Thank you very much for your letter of October 22nd, enclosing tear sheets from the Sherbrooke Daily Record.

When we asked you for clippings from the GAZETTE, we did not expect you to go to the trouble of securing additional clippings from other newspapers. However, we know Mr. Douglas will appreciate your kindness a great deal.

Very sincerely yours,

Secretary

John Bassett, Esq.
