Sir Arthur Currie,
Principal,
McGill University,
Montreal.

Dear Sir Arthur;-

Your recent address before St. Andrew's Men's Association was greatly enjoyed by the McGill graduates present.

On Monday April the 28th. at the Chateau Laurier our Society is holding a banquet and dance. The Executive have asked me to request that you appoint Dr. W.W. Chipman, as the official representative of the University. They are very anxious that he should be their guest and address us on this particular evening.

Kindly let me know at once if this is acceptable, and use your pressure to convince him to come.

With best wishes.

Yours sincerely,

(Robert C. Berry)

Hon. Sec. Treas.
