

Sir A.C.Macdonell      - 2 -

I must say again that I cannot tell you how sorry I am that it will be impossible for me to the present in Kingston. I do not know whether or not in my last letter I gave you a special reason why I had to get over early in June. Marjorie is to be presented at the last Court in June so it is necessary that we sail as early in June as possible. However, I am looking forward to seeing you in May.

With all good wishes, I am,

Yours faithfully,
