

V.

Subscribers are to have a life-interest, which is not to be affected by their absence, in the property of the Library, without the power of transferring their share to any other person whatever : but any resident subscriber withdrawing from the society forfeits all interest in the Library, and cannot be re-admitted but at the discretion of the Committee of management.

VI.

The amount to be paid on admission, by Military and Naval Subscribers, shall not be less than three days full pay for each rank : and by the gentlemen referred to in No. II, not less than the sum of five pounds, Halifax currency, exclusive of the annual subscription.

VII.

The annual subscription shall be four dollars, to be paid in advance half-yearly, on the 25th May, and 25th November.

VIII.

Gentlemen holding Civil situations under Government, and those who have held commissions in His Majesty's Service, may be admitted to the Library on payment of the annual subscription only, and in this case will be considered Honorary Members, and not entitled to a share in the property, or a vote in the management of the Library.

IX.

Subscribers who leave the Garrison shall, on their return, be considered Members of the Library on paying the annual subscription and conforming to the then existing Rules of the Society.
