NORTH TORONTO.

NORTH TORONTO. March, 27.—(Special.)—Mrs. L. C. Orr and Mrs. Stirtet of Calgary are visiting at the home of Mr. and Mrs. John P. Patterson of Glencairn-avenue.

Real estate and building operations were never so active at this season of the year. Mayor Brown's new house, on the Alexandra Gardens, and Mr. Salmon's residence, on Glencairn, are coming along rapidly, the carpenters now being engaged in putting on the foof of the mayor's house.

Immense quantities of brick are being brought up from the city and local yards, and are being placed in the Glen Grove district, in anticipation of an early break-up of the roads.

THORNHILL

THORNHILL March 27.—(Special.)—
The usual monthly meeting of the Literary Circle will meet at the home of Mrs. D. James on Monday evening next. Essays, music, recifations, also an address will be delivered. One of the features of this meeting will be that prizes will be awarded for each of the best definitions of "boys," "winter." "health" and "laughter." to be in writing, but not exceeding fifteen words. No more than two definitions on each subject are to be given by any one person, and names need not be given until the awards are made. Each one is requested to bring at least one definition on each subject. Light refreshments will be served after the entertainment to those who wish to remain. A charge of 10 cents will be made, to go toward prizes.

Appeal being taken from the ruling by Senator Thompson, chairman of the committee, the senate by 31 to 14 decided against the ruling, and the report was adopted with a minor amendment.

In committee on the Grain Act, Sen-ator Campbell offered an amendment limiting to ten days, the time gtorage could be charged on grain in terminal elevators after it had been ordered out. He stated that grain which had been ordered out in December for the use of eastern millers, was still in the ter minal elevators of some of the railway companies paying storage, while thouamount seven months' credit on approved paper. Sale at 9 o'clock. Lunch provided. All Toronto and Trenton trains on the C. N. O. R. will stop at sands of bushels were being sent out for export. Some of the mills had been closed down because they could not get grain to grind. If the eleva-tors were not allowed to charge storage for more than ten days, the grain would not be held, in his opinion. The amendment was held for further exam-
