TORONTOS, TAILENDERS LOST ON SUNDAY 3-2

Four Eastern League Teams Goose-Egged on Saturday—Scores and Records to Date.

The Torontos are these days showing all the earmarks of le itimate tailenders, notably in getting wh tewashes, losing close games, and the president promulgating hard luck stories with persistent regularity. Saturday's goose egg was followed on Sunday by Providence winning by 3 to 2. Notwithstanding these bad signs, the t am may make a spurt upward sometime, and the fans might easily think so if they only had the faith of James L. Hughes. Record:

No Sunday aGmes in Gotham.

New York, June 10.—There were no professional or semi-professional baseball games played in Greater New York to-day. Police Commissioner Bingham issued instructions to his subordinates during the week that they should prevent the playing of all Sunday baseball games, where admission was charged, either directly or by subterfuge, such as the selling of score cards or programs or by voluntary subscriptions.

Last week the National League executive transferred several of the Brooklyn Club's games from the regular schedule to Sunday dates. This change arranged for a game between the Chicago and Brooklyn teams at Brooklyn to-day. This game was called off at a late hour last night, but about 3 00 persons were at the entrance to the park to-day expecting to see a game.

President H. C. Ebbets of the Brooklyn Club said to-day that he would make an effort to have the question of the permissability of Sunday games settled in court as soon as possible.

May Lose His Badge.

The stewards were dissatisfied with Archibald's handling of Wild Range and his long delay in getting his mount into action. He lost all chance of being a contender by failing to obey his orders not to lay too far away from Conover. This and the chance of form shown by Frank Somers, when Kelly rode, will probably result in Archibald's badge being taken away.

TURGEON MAY BE CHOSEN.

His Appointment as Solicitor-General Being Talked Of.

Montreal, June 10.—(Special.)—Altho it does not seem probable that Sir Wilfrid will overlook Speaker Belcourt's claims, the rumor gains ground that Hon. J. Adelard Turgeon of the Quebec Government will become solicitor-general, and contest the County of Quebec, formerly represented by Hon. Charles Fitzpatrick.

Altho Sir Wilfrid Laurier represents Quebec East and Hon. Rodolphe Lemieux sits for Gaspe, the people of the ancient capital are clamoring for representation in the cabinet, and it is said that Hon. Mr. Turgeon's promotion has been suggested to satisfy them.

By the way, the postmaster-general's friends say that if Mr. Turgeon becomes solicitor-general it will be a sad blow to Jacques Bureau, M. P. for Three Rivers. They claim that Mr. Bureau's opposition to Mr. Lemieux's entry into the cabinet was based on the pretension that it would be an injustice to Quebec, but that, in reality, he meant an injustice to Bureau.

If Mr. Turgeon gets the solicitor-generalship, Quebec may be satisfied, but the member for Three Rivers will not be.

A GUARANTEE FOR PEACE.

Is Austrian Alliance With Germany, Declares Francis Joseph.

Vienna, June 10.—Emperor Francis Joseph yesterday received the members of the Austrian and Hungarian delegations in formal audience at the Hofburg. Replying to the addresses of the presidents of the delegations, the emperor said: "Our alliance with Germany proves itself to be now, as hitherto, by virtue of its defensive and conservative character, a valuable guarantee for peace.

"By the visit Emperor William paid us a few days ago, our intimate and friendly relations again were placed on record, and marked by the same feelings of trust are our relations with our other ally, Italy, with whom we find ourselves in gratifying accord on matters affecting us in common."

Referring to Russia and the Balkans, he said that altho the situation in the Balkans showed many defects, it was undeniably improved, and that, above all, it had been found possible to avert more serious complications.

"As in the past," the emperor continued, "the preservation of the peace in Europe, and, above all, in the monarchy, will in the future continue the dominant idea of our foreign policy in dealing with the international affairs."

Emperor Francis Joseph announced that credits would be submitted for the purchase of war material for the more speedy construction of warships and armament.

MONTREAL AS A PROVINCE.

Why Suggestion Was Made and What Such Thing Would Mean.

Montreal, June 10.—(Special.)—The idea of creating a province of Montreal, thus separating this island from the rest of the province for legislative purposes, has, of course, been condemned as soon as it was suggested.

It was, of course, foolish in the first place as Quebec would be bankrupt and sold at public auction to the highest bidder if Montreal were cut off.

The other day the city fathers and the Montreal Light, Heat and Power Company came into conflict before the legislative council, and that body supported the company against the aldermanic pretension. Like schoolboys, the latter came home pouting and wanted the upper house abolished and a little later one of them suggested the new Province of Montreal as a means of getting even with the trusts.

Le Presse says that the English agitated the change a quarter of a century ago, but at that time the suggestion was made that Ontario should take Montreal under her expansive wing. Le Presse declares that such a move now would be a fatal blow to the French-Canadian race.

St. James Beat St. Cyprians.

The glorious uncertainty of cricket was exemplified on Saturday, when the youngest team in the western division of the league defeated last year's leaders on their own grounds and won a well-earned victory, by a score of 45 to 38. Clark being the only player on either side to get into double figures. Hall bowled well for the victors, taking five wickets for 11 runs, while Clark's eight wickets only cost 13.

Parkdale Beat Accident.

Parkdale played Ontario Accident on exhibition lawn on Saturday and in a two innings game won by 5 wickets and 54 runs, due largely to the batting of Keeler, who made 30 runs not out, in the second innings, and the bowling of Wilmot and Fraser. Sharpe and Smith were the principal scorers for Ontario Accident, getting 21 and 10 respectively, the latter and Holiday bowling well for their team. Score:

Parkdale, 20 and 48 for 5 wickets.
Ontario Accident, 32 and 22.

At the Wicket.

The Beach Success C.C. defeated the Aura Lee C.C. at Aura Lee grounds Saturday afternoon by an innings and 31 runs. The score: Beach Success 55 for one innings, and Aura Lee 10 and 14.

Grace Church defeated St. Simons on the latter's grounds by 17 runs and four wickets, the score being St. Simons 45, Grace Church 62 for six wickets. The fielding was excellent on both sides.

The Grace Church III. team defeated the Alexandras on Saturday by 32 and 30 to 25 and 31. B. Graves did very well for Grace Church, making 16 and 10 runs and getting 15 wickets for 26 runs. Degruching 9 and 21 runs for Alexandras, and Findley did well in bowling. Both teams played a fine game, both at the bat and in the field, and all the boys deserve credit for the manner in which they played the "good old game."

Wingham Won at Brussels.

Wingham, June 9.—Playing 10 men to Brussels' 11, Wingham won at Brussels by a score of 1 to 0. The game was played in a down-pour of rain and fast playing was impossible. This gives Wingham the district championship, having won 2, lost 1, drawn 1. Home-and-home games will be played with Milldmay in the second round.

Brussels (0): Goal, Kerr; backs, Anderson, McDonald; half-backs, Cardiff, Brown, Hester; centre, Straughn; right wings, Forest and McLennan; left wings, Carley and Spire.

Wingham (1): Goal, McArter; backs, Deans, Mitchell; half-backs, Wilson, Cruickshank, Davison; centre, Miller; right wings, Ansley, McGillivray; left wing, Aikenhead.

Miss Sutton Beaten in England.

Aigburth, England, June 9.—In the ladies' singles for the northern lawn tennis championship to-day Miss Douglas beat Miss May Sutton, 7—5, 6—2.

In the gentlemen's finals, handicap, D. R. Rhodes of Boston beat Miller, 6—3, 6—2. For the gentlemen's championships F. R. Riseley, America, beat S. H. Smith, England, 4—6, 7—5, 6—1, 6—3.

In the mixed doubles for the Northern championship Riseley and Miss Douglas beat Smith and Miss Thomson, 7—5, 5—7, 6—5.

The defeat of Miss Sutton is the first for her in a championship match of any kind. Miss Sutton was the holder of the Northern Countjes title, which she won last year. Miss Douglas was the British woman champion of 1905, and Miss Sutton beat her in the challenge round for the title last year. Miss Douglas had a sprained right wrist last season and that was given as an excuse. From the way she played against Miss Sutton this time it is apparent that her wrist is in good condition.

DIED OF INJURIES.

John Walker died from the accident at the old Christian Brothers' Church on Denison-avenue, Saturday. He was for many years resident of Canfield, Welland County, where he lived until he came to the city a little over two years ago. He was engaged in the real estate business with Hurley & Co., and later for himself. Things being dull in his line just now he agreed to assist at the demolition of the old church, having learned the carpenter trade in his youth. The saddest part of the affair is that his wife did not know of the accident and death until twelve last night. She did not know either the name of the man he was working with or the church, and after a very anxious sleepless night yesterday morning when he had not come home, hunted all Dundas-street, where she understood the church he went to work at on Saturday morning was. He being unconscious could not reveal his identity at the Western Hospital. He lived at 26 St. Patrick-street, and leaves a widow.

John Walker was very highly esteemed by all who knew him, and practically this was every one in Welland County, as he was county auctioneer and prominent member of the Presbyterian Church there for many years.
