

REAL ESTATE FOR SALE REAL ESTATE FOR SALE

FARMERS

OR OTHERS INTERESTED IN FARMING, WITH A SUMMER RESIDENCE INCLUDED.

The farm for sale is situated within 10 miles of the city of London, on the proposed government road, between London and St. Thomas. On this farm of 100 acres are two houses, one a fine brick residence, finished throughout with oak, the other, a neat frame house, in good repair. The brick house is pleasantly situated in connection with the farm, and would make a very agreeable summer residence.

THE FARMS have been lately built, and are suitably arranged for carrying a large dairy stock. At present 16 head of pure-bred Holstein milking cows are stabled. Every known device for milking is in use. The farm is well equipped with a fine engine, running water, carriers, silo, etc.

THIS FARM has been pronounced one of the best, if not the best, in Western Ontario. It can be bought separately, or as a running institution, including stock, farming implements, etc.

See Thursday and Saturday papers for a more extended description.
