COBALT Mining Securities Develop Cobalt Tendency

Cobalts Seek Lower Levels Cheap Stocks Thrown Overboard

Mining Markets in Depressed Condition, and Liquidation Forces Values to New Low Levels.

World Office, Wednesday Evening, July 6. The local mining exchanges developed weakness today, and under realising sales several of the cheaper issues had low levels.

There was little breadth to the speculative movement in the market, but the exchanges were practically bare of buying orders and in certain instances it looked as if the stocks were thrown away for about what they would bring.

COBALT LAKE SOLD AS LOW AS 14 1/4. A clear drop of 2 points from the figure for yesterday. Little Niipising was another weak spot.
