that more than 45,000 cases of Ameri-
can canned goods arrived at Montreal
during one week. Wholesalers are this
week asking higher prices for canned
tomatoes than they were last week. For
a couple of weeks following the an-
nouncement of the opening prices, some
wholesalers circulated the trade, offer-
ing some lines of canned goods at
about 15 cents a dozen below the open-
ing price announced by the canners.

Business in nearly all grocery lines
has been good. Wholesalers are experi-
encing difficulty in getting supplies to
meet the demand.

"Hardware and Metal," Nov. 18, said:
The list of price changes this week is
almost as extensive as the unusually
heavy list of last week. All price changes
are upwards and include high prices
on butter and lard, both black and gal-
vanized. The new price for
one which went into effect last week.

Other lines on which advances have
taken place are step and extension lad-
ders, fire ladders, hoop steel, stove pipe
wire, tinmed wire, stall fixtures, build-
ing papers, including dry and tarred
fiber surprise sheeting, clothes line, cot-
ton rope and sash cord, cotton twine,
steel bars, candlewick, asbestos wire,
glue, clocks, leather tap soles and top
lifts, skates, pig iron, auger bits, whips,
door knobs, builders' hardware, pad-
locks, cutlery, fireware, plunger pumps,
whisks, copper wire, gun shells, lin-
seed oil, locks, knobs, wrought butts and
hinges, corrugated machine bolts and
nuts, etc.; lined oil.

WINDSOR HOTEL DIVIDEND.

The Windsor Hotel Company of
Montreal has just declared its first divi-
dend in two years—one of four per cent.
for the year ended October 31 last, pay-
able on December 1. In 1914 the com-
pany paid a total of 4 per cent in two
half yearly distributions of 2-1/2 per
cent and 1-1/2 per cent, against 5 per
cent in 1913, and 10 per cent, previously.
The war, of course, has largely affected
the hotel business, but that dividend
should be once more forthcoming indi-
cates a greatly improved situation.

being refused an increase in wages. The photo shows one of the lady flut-

BOY SCOUT NOTES

Close on 100 men of prominence in
religious, educational, commercial and
public life of Canada have given their
endorsement to the work of the Boy
Scouts Association in Canada by be-
coming members of the Canadian gen-
eral council of this movement. The list
is inclusive of the lieutenant-governors
of the various provinces; Rt. Hon. Sir
R. L. Borden; Rt. Hon. Sir Charles
Fitzpatrick, Chief Justice of Canada;
Sir Lomer Gouin, premier of Quebec;
Lord Shaughnessy of the C. P. R.; E.
Col. Sir Percy Sherwood, chief com-
missioner of the association in Canada;
Lt.-Col. A. E. Gooderham, president of
the provincial council for Ontario; Col.
Noel C. L. Marshall of the Canadian
Red Cross; Dr. A. H. MacKay of Hal-
fax, superintendent of education in
Nova Scotia; Sir Vincent Meredith,
president of the Bank of Montreal; Dr.
Jas. W. Robertson, C.M.G., chairman
of the Ottawa and Ottawa Valley
branch of the Canadian Red Cross; John
A. Stiles, professor of civil engineering,
University of New Brunswick, and pre-
sident of the provincial association in this
province; Samuel M. Brookfield, pro-
vince president of the work in Nova
Scotia; Most Rev. Archbishop Mathe-
son, D.D., Primate of Canada; Rt. Rev.
Bishop Fallon, D.D.; Rev. Murdoch
Macdonald; Rev. S. D. Chown.

Various services are being performed
by Boy Scouts in Canada in connection
with the badge which is given by this
association for services in aid of the
war causes. In their quest for these
badges the Boy Scouts of Winnipeg
have stood on street corners for hours
selling special editions of newspapers to
provide Christmas cheer for Winnipeg
soldiers. Quite a number recently re-
turned valuable services in connection
with the recruiting of the 100th bat-
talion of Winnipeg, ushering at Red Cross,
patriotic and relief concerts night after
night. Boy Scouts in the vicinity of
Toronto last summer came to the re-
lief of the Fruit Growers' Association
and worked for weeks under service
conditions gathering in the fruit harvest.
Then, too, within the last few weeks
Boy Scouts all over Canada rendered
various services in connection with the
British Red Cross day and were instru-
mental in securing a considerable amount
of money in aid of this cause.

The Canadian general council of the
association have seen fit to modify the
regulation with regard to the twenty-
eight day war service badge. Applica-
tions will be accepted on the basis of
eighty-four hours instead of the original
condition of twenty-eight days' service
of at least three hours a day being in-
sisted upon. An opportunity will, un-
der these conditions, be afforded to
Boy Scouts generally and particularly to
those residing in the smaller centres to
qualify for this badge. The rule gov-
erning the award of the one hundred
days' war service badge will remain as
it is.

BURIED YESTERDAY

The funeral of Dr. William A. Fair-
weather, who died last Thursday at Syd-
ney, N. S., was held yesterday from St.
Paul's church and interment took place
at Fernhill cemetery. The body was
taken from the undertaking parlor of
Brennan & Son, to the church at three
o'clock, where Rev. A. W. Daniel, of St.
Paul's church, Rethersburg, conducted ser-
vices. During the many years that Dr.
Fairweather was a practicing physician
at Rethersburg, which concluded but a year
ago, he attended St. Paul's church there
and was held in the very highest regard
by all who knew him. Many people
from Rethersburg and friends in the city
attended the service.

The funeral of Mrs. Mary Akenley took
place yesterday afternoon at 2 o'clock
from her late residence in Erin street.
Rev. Miles P. Howland conducted service
at the Cathedral, and interment was
made at Sand Cove cemetery.

PIMPLES and BOILS ALL OVER FACE AND BODY

When the blood becomes impure you
will find that pimples and boils will
break out all over the body, and al-
though they are not a dangerous trouble,
they make you appear unattractive to
your friends and yourself.

Burdock Blood Bitters will cleanse the
blood of all the impurities and poisons
which cause the skin to break out in
these eruptions.

Miss Sylvia Swanson, Theodora, Sask.,
writes: "I am letting you know what
great value your B. B. B. has been to
me. A year ago I started to grow pale
and weak, the cause being bad blood. I
got so many pimples and boils all over
my face and body that I would not let
strangers see me, and I used to avoid
company. I tried many remedies but all
seemed a failure. I read about how good
your B. B. B. had been to thousands of
people so I got a bottle, and after I had
finished the second one my pimples and
boils had all disappeared. People
thought it a miracle how well I looked.
"Your grand old remedy sure has been
as good as gold and better, to me."

Burdock Blood Bitters has been manu-
factured for the past forty years by The
T. Milburn Company, Limited, Toronto,
Ont. See that our name appears on the
wrapper.
