

LOCAL AMATEUR CLUBS TO CONSIDER BREAKAWAY FROM M. P. B.

MEETING CALLED FOR TUESDAY OF THIS WEEK

Believe Separation to be for Best Interests of Amateurism

BELIEVING that the executive of the M. P. B. will take no action on certain grave charges made with regard to the annual meeting held in Montreal, local amateur clubs have been invited to send representatives to a meeting called for Tuesday night in the Victoria Hotel, informal con-

NON-COMPETING AMATEUR.

In regard to a question raised in the letter of the Martellois recently over W. E. Sterling's eligibility through his occupancy of the post of physical director, attention is called to section D of the standard declaration. This reads as follows: "Physical directors who have not become professionalized for any other reason shall be regarded as non-competing amateurs. After a period of five years has elapsed since the cessation of his teaching, such a non-competing amateur shall be eligible for his amateur card."

ferences that have been going on between local sport leaders have resulted in this latest development in the present agitation, which seems to have been intensified rather than diminished by President Doyle's move in putting matters up to the various clubs.

From what the Times-Star can learn, it appears the meeting will be held early in the morning of Tuesday, Sept. 21, at 10 o'clock. The M. P. B. is not as yet in session. This project is being discussed by the various clubs as in favor of this move. Several local clubs voted against this at that time but since then, it is understood several have changed their minds and are now prepared to cast their lot with the Canadian Amateur Athletic Union and asking for recognition for this province. It is also learned that some of the Moncton leaders who formerly opposed this are now prepared to cast their lot with the Saint John clubs, believing such a move is in the best interests of amateur sport in this province.

HOW THEY VOTED.

The way the clubs split last time was as follows: Those in favor: St. Rose's, Water Department, Trojans, Y. M. C. I., Wanderers, East Saint John, St. John's, St. Peter's, (two votes), Y. M. H. A., U. N. B., Woodstock and St. Stephen. Those against: M. A. A. A., C. C. J. A., C. N. R., Moncton, Moncton Athletics, Sackville, Devon, South End, Saint John Baptist, Saint John Hockey Club, St. Peter's (one vote). The present plan, it is understood, is simply to apply to the parent body for a charter for New Brunswick clubs to govern themselves and that petty bickering and personalities between the three provinces must cease for the good of amateurism. In brief, they propose to wipe the slate clean and start afresh.

LACOSTE WINS

FOREST HILLS, N. Y., Sept. 19.—Four minutes under the hour was sufficient for Rene Lacoste of France to capture the final match of the United States tennis championship on the courts of the West Side Tennis Club here yesterday when he downed his compatriot Jean Borotra, 6-4, 6-0, 6-4, and assumed the crown which for six years had been worn by William Tilden. This is the second time in the 45 years' history of the national championship that the title has gone to a foreigner, the previous trans-Atlantic victor being Hugh L. Doherty, of England, who secured the crown as far back as 1905.

MEET TONIGHT.

A meeting of the City and County Football League will be held in the Y. M. C. A. this evening at 8 o'clock to discuss plans for the coming season. It is likely that a representative of the Trojans Club will be present and plans for a senior league will also be discussed.

FLOWERS TO FIGHT M'GIGUE IN MEXICO

ATLANTA, Ga., Sept. 19.—Tiger Flowers, middleweight champion, will meet Mike McGigue in a fifteen-round non-championship bout at Tia Juana, Mexico, October 15. It was announced Saturday by Flowers' manager.

FINED FOR ILLEGAL WHIPPING OF GIRL

MONCTON, Sept. 19.—John Cunningham, charged with illegally whipping a 13-year-old girl, was found guilty Saturday and sentenced to pay a fine of \$10 or in default 30 days in jail. He whipped the child, according to his own statement, at her mother's request. A plea of not guilty was entered in the case but he was convicted.

HARRY JONES WINS

JASPER, Alta., Sept. 19.—Terminating a keen contest on the eighteenth green yesterday, Harry Jones, Shaughnessy Heights, Vancouver, defeated C. C. Ronalds, Mount Bruno, Montreal, and is the first to have his name engraved on the beautiful silver totum trophy, the chief prize of the autumn golf tournament over the gorgeous Jasper Park Lodge course.

NEW CONCEDE CHALLENGER HAS CHANCE AT ALL

Tunney, However, Sure He Will Be Next Title-holder

(By HENRY L. FARRELL, United Press Sports Editor.)

PHILADELPHIA, Sept. 20.—Jack Dempsey probably will be the heaviest picked favorite that ever defied a heavyweight champion when he enters the ring here Thursday night against Gene Tunney.

This does not mean that the betting odds on him will be higher than those on Tunney, but the opinion of the experts will be more solidly behind him even than it was throned to the support of Jess Willard before he fought Dempsey and lost the title.

There seems to be few against everyone who gives the challenger a chance and even more against those who have risked the opinion of the money that Tunney will win the championship.

What is the reason? Dempsey is slightly larger than Tunney and is just as strong. He has had experience and no one doubts his courage. He seems to have cultivated a Joan of Arc conviction that he is destined to be the next champion. He can box and he isn't such a feeble puncher.

Dempsey's backers will grant you that but they will call your attention to something in these words: "Dempsey is a natural fighter and Tunney is a manufactured one."

They also give their opinion that Tunney is strictly a counter-fighter and build for Dempsey's style of attack. Also that Tunney hasn't the powerful attack of the champion and that he hasn't a doubt barreled attack like Dempsey.

They laugh off the suggestion that Dempsey may not be the fighting machine that he was three years ago and insist that Dempsey couldn't have gone so far enough to become a champion fighter that Tunney could beat him.

Put the question to them—"Who did you—Dempsey wouldn't let the guys that Tunney has licked into his camp?"

So it goes on and the ferocity of the argument leads to another question: "If it is such a poor match and the public knows it, where did they sell all those tickets?"

And the reply is—"You know—the old ballyhoo."

It seems after all that the public is interested in spectacles, that it isn't the fighters so much as the fight, that there are thousands prompted only by the curious desire to "be there when—"

But Rickard certainly sold the fight to the public.

The experts shouted that Carpenter would be massacred by Dempsey and the experts shouted "that the society for the prevention of something or other should have stepped in and saved the lamb from slaughter."

But many of these same experts have been wrong before. The Toledo fight and wanted to spare Tom Gihons from Dempsey for the sake of the handsome little Gihons children.

There is no intent included here to pick a winner. That will have to be done one day of the light-bearers of it is newspaper routine to pick a winner even if the writer doesn't want to do it.

Dempsey says that any big man with a fair punch is dangerous and he means what he says. It would seem to be all right if you care to look at it that way. But whatever happens don't be one of those who may say that it was a dive.

has more of a chance than Firpo or Carpenter but that may be no chance at all if you care to look at it that way.

Normie is of the opinion that the suit will either be dismissed, or continued. In any event a \$100,000 bond posted by the champion, will permit him to leave the state for his important engagement with Tunney, despite the rift of the next, granted to his ex-manager.

DEMPSEY DOWN TO FIGHTING WEIGHT

Summoned to Court Tomorrow But Lawyers Likely Will Represent Him

ATLANTIC CITY, N. J., Sept. 20

Jack Dempsey, scowling angry world's heavyweight champion, today is finished with all hard training. From now until Thursday night, only process servers can make him depart from his straight and narrow path of light labor.

The champion is tapering off from the apex of his training. He is down to 198 1-2 pounds, striking distance from his best fighting weight, and only will be on the program during the next two days. Tomorrow he will work strictly in private with the gates to the track closed even to newspaper correspondents. This will be his last training, although he will loosen up a bit on Wednesday afternoon. A majority of the experts here, are of the opinion that the action of Jack Kearns, his former manager, in throwing Dempsey into the hands of a receiver, will only serve to increase his savage fighting instinct to the point which will bring him into the ring near the Dempsey of old, than all the training the champion could have arranged at this critical period.

These observers are of the opinion that he will see Gene Tunney, Harry Willis, Kearns, Fuddy Mullins, B. C. Clemons and James A. Parley all compiled in one morocco-bound edition in front of him on next Thursday night. Dempsey has been supposed to appear in the court of chancery here tomorrow to answer to the suit filed by Kearns on Saturday. Gene Normie, manager of the champion said today it was extremely unlikely that Dempsey would show up in person, however. Instead, a battery of legal talent will appear in his behalf.

Normie is of the opinion that the suit will either be dismissed, or continued. In any event a \$100,000 bond posted by the champion, will permit him to leave the state for his important engagement with Tunney, despite the rift of the next, granted to his ex-manager.

RACE IS JAMMED

Final Game Between Cincinnati and St. Louis Looms as Deciding One

NEW YORK, Sept. 20.—The National League pennant chase

is jammed still tighter today with St. Louis holding a meagre single game margin over the Cincinnati Reds, but the New York Yanks had spread their lead over Cleveland to three and a half games in the American.

As the season in the National League draws to a bewildering close, after the greatest race in modern baseball history, the importance of the game between St. Louis and Cincinnati on the final day of the season grows steadily. If the Reds win the remainder of their seven games, including the tilt with the Horshly outfit, nothing the Cards can do, will save them the flag. But let the Reds drop out one game and St. Louis, by taking all of their five, can just nose out the victory.

U. N. B. TO START WORKOUTS TODAY

Special to The Times-Star.
FREDERICTON, N. B., Sept. 20.—The University of New Brunswick reported today and the first turnout of the rugby football squad is scheduled for tomorrow. C. B. Burden is to be coach again. Four valuable players were lost by graduation in May last, Fraser and Seely in the back division and Odell and McPhail among the forwards. Kincaid a forward also has left and there is doubt about a keene member of the back division being at college. Sixteen players of the 1926 squad are expected to be available apart from them, and the new students are expected to have foot ball players among them. The extent of the material will not be known for some time however.

TO PRACTICE TONIGHT.

The Trojan football team will be out for a practice tonight at 6:30 on the Allison grounds. A good turnout of the members is requested.
