### GOOD REPORTS PRESENTED TO DIOCESAN W. A.

Hear of New Branches Formed Since Meeting in April

MONEY VOTED FOR COVERDALE HOME

Letters of Thanks for Donations During the Year Are Read

The organization of four senior branches and one girls' branch since the last meeting in April was reported at the meeting of the Fredericton Diocesan W. A. yesterday afternoon in Trinity church, when \$100.50 was voted from the E. C. D. fund, \$182 being given for furnishings at the Inter-Provincial Home for Women at Coverdale and the necessary sums to purchase articles of furniture at McAdam and Stanley rectories.

Mrs. Dewdney, wife of the Bishop of Keewatin, was welcomed and spoke of the work in that diocese. With much regret the resignations of Mrs. J. Roy Campbell, as E. C. D. treasurer, and Mrs. Rowland Frith, as recording secretary, were accepted. Mrs. J. Lee Day was welcomed in the office of E. C. D. treasurer.

**WELCOMED ANNOUNCEMENT**  
The announcement of the success of New Brunswick W. A. Juniors in the Dominion doll dressing competition was received with applause. Rev. C. Gordon Lawrence, rector of Trinity, gave the opening devotional address and, using the story of David, spoke of God's tender care of His people as like the tender care of a shepherd for his sheep.

Mrs. Cortland Robinson, vice-president, was in the chair and spoke appreciatively of the presence on the platform of Mrs. Thomas Walker, honorary vice-president.

Letters read included the appreciation of the diocesan synod of the work of the W. A.

Miss Clara Schofield, corresponding secretary, told of the sending out of the annual printed report, in which there is a letter received from the Dominion president, Mrs. Ferrabee, after her visit to the diocesan annual meeting. She had sent a door knocker in the shape of a Winchester cross made from material taken from Winchester Cathedral pinnets, which knocker has been placed on the door of the W. A. room in the Church of England Institute.

Mrs. Whipple, of Greenfield, and Mrs. Lockwood (formerly Mrs. Sargent) sent their appreciation of the annual report.

**A LIFE MEMBER**  
Mrs. Barnett, of Gagetown, was reported enrolled as a new life member by her branch. Thanks for sympathy were received from Mrs. J. Roy Campbell, who had regretfully tendered her resignation from the treasurer's office the E. C. D. fund and who expressed her hope that there would be an E. C. D. treasurer appointed for every branch. It was reported the executive had conferred a life membership on Mrs. Campbell, expressing regret that

her removal from the diocese prevented her continuing in office. Mrs. J. Lee Day had been appointed E. C. D. treasurer in Mrs. Campbell's place.

The resignation of Mrs. Rowland Frith as recording secretary was read and with great regret was accepted. Miss Schofield told of the visit of Miss A. E. DeBlasis from Kangas to seven centres in the diocese.

Mrs. G. C. P. McIntyre, treasurer, reported receipts from April 8 to Oct. 4 totalled \$1,242.92 and disbursements amounted to \$5,073.49, leaving a balance of \$868.22. Included in disbursements were \$229.13 sent to diocesan missions, \$308 to Canadian missions and \$139 to overseas missions, \$285.91 to the Inter-Provincial Home for Women near Moncton and \$368.50 for the Pickett memorial fund, which last item was included \$290 given as a memorial to Mrs. George F. Smith.

**LETTERS OF THANKS**  
Letters of thanks were received from those to whom donations were sent from the annual meeting. Mrs. McIntyre read the letter of the matron of the Inter-Provincial Home, who suggested the W. A. gift should be used to furnish the hospital at the Home and that a suitable name plate be placed on the hospital door. She told of the good work the Home is accomplishing.

Mrs. McIntyre reminded the members that \$200 had been pledged at the annual meeting and the Anglican women were the only ones of the denominational groups which had not yet paid in full the amount pledged by them.

The collection taken at the meeting was to be devoted to this cause, for which only 82 branches had as yet sent in contributions, it was said.

Mrs. John Hay, Dorcas secretary, read a letter from Rev. M. Edsforth thanking the W. A. for the gift of a stove for the rectory at Minto. She also read a letter from one of the nurses at All Saints' mission hospital, the new hospital in the far north, who expressed thanks for the two boxes of supplies from Fredericton W. A.

Rev. Mr. and Mrs. Edon Merritt, of Saint John, are to be stationed at this hospital next year. Mrs. Hay also told of the sending out of all other Dorcas sales, the work for which had been

and said the two appeals sent by the Bishop were for a stove at McAdam rectory and a lamp for Stanley rectory.

Mrs. E. R. Taylor suggested that a donation from the E. C. D. fund should be made towards the pledge for the Inter-Provincial Home. The matter was discussed and it was pointed out that many branches had not been meeting and had not been able to send in their contributions to the pledge yet.

It was decided to meet the two appeals sent by the Bishop and to give the remainder of the fund, \$132, to the Inter-Provincial Home.

**MRS. DEWDNEY HEARD**  
Mrs. Dewdney, wife of the Bishop of Keewatin, who was formerly Miss Hamilton of Saint John, was welcomed and spoke of the problems in that diocese. She recalled that Mrs. James F. Robertson, Fredericton, diocesan W. A. president, had been her own teacher in Kingston.

The Keewatin diocese, Mrs. Dewdney said, has only four self-supporting parishes and its work is carried on in 11 white parishes and seven Indian parishes. The nomadic habits of the Indians made it impossible to place a clergyman in charge and the only solution of the problem of converting the heathen Indians was found in establishing schools for the children.

One school was built but not yet opened and three were needed. The Dominion W. A. grant of \$600 was gladly received, Mrs. Dewdney said.

**300 MILES WIDE**  
She spoke of the diocese as only 300 miles wide but extending from the U. S. A. border to the Arctic circle and including the west shore of Hudson Bay, where there are four mission stations. The freight rates to Hudson Bay, she said, were so great that fuel in one locality had cost \$110 a ton when it was landed and freight charges for supplies of foodstuffs in one year totalled \$5,000.

Mrs. Dewdney was heartily thanked for her interesting address. Resolutions passed included sympathy to Mrs. L. R. Harrison, Mrs. J. Roy Campbell and Mrs. Thomas Walker, who were in the chair.

Miss Portia Mackenzie and Mrs. Scott, delegates to the Dominion Board meeting, were to have presented reports yesterday but because of the late hour it was decided to defer them until the next meeting.

**DO THIS AFTER  
SERIOUS ILLNESS**  
How to Speedily Gain Strength and Put on Needed Weight

Nothing like the wonderful vitality gained from the Liver Extract Tablets to help convalescing people to quickly get strong and well—everybody knows that.

So now, medical men who keep up with times are ordering a tablet containing the vitamins that give to the body strength and weight—a tablet that is known as McCoy's Cod Liver Extract Tablet—and it surely has proved a blessing to thousands of people who have been sapped of their natural strength after any severe illness.

Skinny men and women take them to speedily put on plenty of good healthy solid flesh and for this purpose they are so extremely good that thin men and women often take ten five pounds in 30 days. As a matter of fact, your druggist is authorized to return your money if you don't take 5 pounds in 30 days.

Good for weak, skinny, backward, run-down children too, and gives them a hearty appetite.

Be sure and ask for McCoy's, the original and genuine Cod Liver Extract Tablet. Watsons Two Stores, Ross Drug Co., Wm. Hawker & Son, and druggists everywhere have a big demand all over North and South America. They are sugar coated and as easy to take as candy. 60 Tablets—60 cents.
