Former Senator Beveridge Says People's Railway Equals Best in America—In St. John on Way to Washington

Former U. S. Senator Beveridge of Indiana, who came to the Maritime provinces last week to take a trip over the L. C. R., arrived in the city again this afternoon from Halifax on his way to Washington. His trip was cut short by a telegram summoning him hastily to Washington. In Moncton this morning he visited the new L. C. R. shops in company with Dr. Hottinger and others and left on the 11 o'clock train for St. John. Asked how he found the L. C. R. he said: "As far as I have gone over I. C. R. it is as good as the best railroad in America. This railroad of yours is equal to the great Pennsylvania railway." Hon. Mr. Beveridge said Moncton, with natural gas at its door, was bound to grow. While he had not time this trip to propose returning in the near future to continue inspection of the system of government owned railways, its operation and how people liked the government operated road. St. John is included in the places he proposes to visit.
