ment made a reconnisance towards Charles- ficiency of corn for all purposes for two ton, capturing three batt ries and spiking years. their guns, they approached to within 20 miles of the city. The Confederates are destroying large quantities of cotton." WASHINGTON, Dec., 6.

The President avows his purpose to pursue a prudent and cautious policy with re-ference to the Foreign relations of the Fed. eral Government, and that no fears are en- is before the Cabinet. tertained of a War with Great Britain unless hostilities ! No anxiety is felt on the subject by the administration.

KANSAS, Dec. 6th The Confederates have seized all the ho -

and wound d 7.

Gen. McCulloch has gone into Winter quarters in Arkansas.

The Boston "Post" appears to be fully aware of the enormity of "Yankee Brag." and the evil influence it exercises on American affairs. At the Wilkes festival, the boastful, insolent, and vainglorious character of Yankeedom, was more fully displayed than it has been for a long period, and upon the the "Post" has the following :

"There is probably no element in the American character, more nauscating to the foreign mind or more detrimental to our dignity as a nation, than the everlasting bragthe loud mouthed, vulgar fulmination of everything pertaining to ourselves Even now with perils gathering thicker and blicker around us-with lightnings flashing, and deep portentous clouds thundering down, to our very heads-we boast, we bluster, we threaten, we make very apes of ourselves where instead should be deepest humility. and before God the greatest repose, the cal est exterior-types of the manhood, strength

and determination within. "No man in the Navy holds deservedly a higher position than Wilkes. A gentleman a man of science, a generous-hearted sailor, equal to his trusts in emergencies. And airfax, modest dign

missariat Bills, drawn in the West Indies, Bermuda, and North America, and purchas-ed in the United and Confederate States at a premium of 14 per cent.
