BOUTH FARM, Me., Dec. 19, 1688. Mesers. S. W. FOWLE & CO., — Gentlemen: Pic several years past I have had a knowledge of the operation of the OXMERNATED BITTERS in some came of Dyspress and General Debility. They have generally given satisfaction, and sometimes have effected a permanent cure where other remedies had been used without benefit. I do not hesistate to recommend them.

Respectfully yours,

Letter from Stearns Foster, Bog. STODDARD, N. H., Sept. 30, 1

Meser. Seth W. Powle & Co., Gests. I was for many years, a great sufferer from Dyspersia at Waterbard, and tried almost everything within my reach, but to no benefit, until I was induced by the recommendation of my physicians, Dr. Hazelton, to make use of the Oxygenated Bitters. The first world produced but a slight alteration in the disease, and had it not been for the urgent request of my physician y should then have discontinued their use, thinking thesi to be of ne avail; but his combineous inspired me to persevere, and after using to the extent of baif a doe bottles, I had easterly regained my health. I hope \$4\$ dyspegtic persons will be induced to give them a fair trial, being confident that this remedy is the most patent, for the various forms of Dyspersia, that has he eproduced. Youre,
