Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found made chiefly from the native herbs to and on the lower ranges of the Sierra Nevada mountains of California, the medicinal from mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily esked. "What is the egues of the unparalleled success of Vinegai. Bittens?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purificr and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of Vinegais Birthers in healing the sick of every disease man is heir to.
