HOT WORK YESTERDAY

Some Phenomenal Finishes.

M'LEOD TURNED THE TABLES

AND BEAT OUT HARLEY DAVIDSON
—THE ATTENDANCE NEARLY
AS LARGE AS ON THE
PREVIOUS DAY.

Yesterday's races. Were, if possible, superior to those of the first day of the great C. W. P. Meet. The track was practically perfect and the wind which blew down the stretch on Thursday had materially moderated.

But there was no moderation to the enthusiastic and excited crowd that gathered in the grand stands and on the bleachers. Arrangements were much improved and the management is to be congratulated on the excellent order maintained and the keeping clear of the track throughout the day.

The work of the races throughout was phenomenal, and the finishes were magnificent. But the triumph of the day rests with Angus McLeod, the sturdy Scotsman, who smashed the five mile Canadian record by some 2 1/2 seconds in the finest spurt of the Meet.

The pace set throughout the race was a killing one and but four riders, McCarthy, Davidson, Greathair and McLeod, in the order named, stayed the clip till the final half, when the pace was still further quickened. Just before the quarter was reached the curly-haired Scot, who was then in the van, commenced a most phenomenal spurt, passing up foot by foot and turning in to the stretch at the head of the bunch. A grand spurt followed, but McLeod rather increased his lead, and shot across the tape at a good six feet in lead. The record-breaking time, the magnificent popular and the popularity of the rider sent the throng wild, and on being recalled McLeod smilingly

acknowledged his reception by raising his cap amid renewed applause.

MORE HOT WORK.

No less exciting were the wonderful finishes between McCarthy and Davidson in the half and mile races. In the first of these races the two riders came down the stretch like whirlwinds and met the tape so nearly abreast that many were impressed with the fact that it was a dead heat. The race was awarded to McCarthy, who was, if possible, a fraction of an inch ahead of Harley.

In the mile the same riders challenged a sprint on the stretch and again McCarthy won out by inches, while McLeod, scarcely six inches behind, captured third place.

The professional tandem race was also a bumper and McLeod and Davidson gave the throng an idea of how the last quarter could be covered in a sprint and shot ahead of all competitors on the stretch.

In the amateur events the contests were equally good. Axton, the speedy young Bradford rider, turned the tables on his successful Toronto rival of the previous day, and beat out both Moore and Graves in a pretty sprint in the final of the mile race. Moore and Riddle, of Winnipeg, the three amateur champions, will ride off to decide who will represent Canada in the World's meet at Glasgow, Scotland.

The heats will be grand ones. The professional tandem race was also a bumper and McLeod and Davidson gave the throng an idea of how the last quarter could be covered in a sprint and shot ahead of all competitors on the stretch.

The Montrealers carried off the team race in a magnificent struggle, and it is alleged that the hearty cheers and applause of the enthusiastic T. V. Cartwright won them the great battle.

A SPECTACULAR DAY.

The track was in excellent condition, not a drop of rain fell, and the weather was hot and almost windless seemed to give promise of broken records. The half-mile open professional, left over from Thursday, was the first event.

McLeod got the tandem race the start and kept to the quarter with the group bunched behind. Coming to the scratch, Harley Davidson forged ahead, but was passed by T. B. McCarthy in a very close finish.

T. B. McCarthy, Toronto, 1st; Harley Davidson, 2nd; R. O. Blaney, 3rd.

Thursday's 100 for the half broke the record and this was again lowered in the first event of the second day. The tandem race was the first event, which was a warm summer and opened the day's sport in good shape.

The first event of the second day, which was a warm summer and opened the day's sport in good shape.
