

ADDENDA
OF
Faculties of Arts and Applied Science.

The appointment of Professor John Cox, M.A., to the W. C. McDonald Chair of Experimental Physics in the Faculty of Arts, and that of Prof. C. A. Carus-Wilson, B.A., to the Thomas Workman Chair of Mechanical Engineering in the Faculty of Applied Science, were not made in time to allow of the necessary changes in the previous pages of the Calendar, but these changes will be announced at the beginning of the session.
