-W. H. Ogilvie, in Chamber's Jour-nal.

But with a patriotism that all nations must envy, officers and privates, soldiers and sallors, siep unhesitating ly into this annihilation, and mothers, wives, sisters and children smile cheer fully, as they say good by; for is not the sacrifice for the good of the Emphoror and of Great Japan?

Capt. Yashiro, of the battleship Osama, made a little speech the other day, which illustrates perfectly the sprit of the mation. He was talking to five of his men who were going on a fire-ship into Port Arthur harbor. He said:

"Ordering you men to bottle up Port Arthur means sending out beloved sons to taste the gall of death. But if I had one hundred sons I would appear to the membered are mentioned the last one hundred sons I would appear to the months adventure. Or if I had just one well-beloved son I would appear to the months adventure. The park is saidly in need of some means of illumination. Last fall the first shally in need of some means of illumination. Last fall the first shally in need of some means of illumination. Last fall the first shall is a suppearable for him to be sent."

The park will probably be further improved by the planting of some trees in memory of departed residents of the months adventure. Or if I had just one well-beloved son I would appear to the sent."

The park is saidly in need of some means of illumination. Last fall the first shall is a suppearable for him to be sent."

The park is saidly in need of some meeting was to decide whether or not union or non-union men should work together. It is said that a number of the treet Railway Conpany promised, according to one of the park's promotery in the last of the park is proved by the planting of some trees in memory of departed residents of the carpenter's many hall. The business before the meeting was to decide whether or not union or non-union men should work together. It is said that a number of the carpenter's promoted to the park is proved by the planting of some trees in memory of departed residents of the carpenter's proving an adve

HOT TIME IN FREDERICTON.

FREDERICTON, May 4.—The local government has made the following appointments: Queens county—William E. Upton, provincal constable. Charlotte—G. Herbert Lamb, police magistrate, town of St. Andrews.

Supplementary letters patent have been issued to the People's Light and union members, and it was decided last night that any union man who worked with a non-union ist for one would be fined \$5. This rule will in future be strictly enforced.

A meeting of the union will be held on Wednesday next in Berryman's hall, when the matter of the Tercentenary celebration will be considered.

But night that any union man who worked with a non-union ist for one would be fined \$5. This rule will in future be strictly enforced.

A meeting of the union will be held on Wednesday next in Berryman's hall, when the matter of the Tercentenary celebration will be considered.
