RAILWAYS CAN'T HANDLE TRAFFIC.

Transportation Facilities inadequate to Fifty Cases Cope With Unprecedented Conditions

NEW YORK, Oct. 24.—The Journal of Commerce today says: A railroad traf-fic official whose information has been gathered with painstaking care, and whose statements may be taken as authoritative, yesterday said that the

without a doubt reach the highest point ever known this fall and that the general merchandise movement would be larger than ever before, and has kept up ever since and certainly will keep up for three months to come. On top of this came the heavy crop of exportable corn, with the result that the railways found themselves with only half the equipment necessary to handle the business pressing for delivery.

municate the disease to the other nerds.

Recently, it is understood, an examination of the cattle was made by Veterinary Frink, of St. John, who it is said, largely concurred in Dr. Hall's said, largely concurred in Dr. Hall's will be done with the animals, no order for their destruction having yet been received. They are high class and valuable.

The management has taken every precaution against the spread of the precaution against the spread of the precaution against the spread of the processing for their destruction against the spread of the precaution against the spread of the point take chances. Experiments with human beings are difficult and danger once the concerned, such as pigs, it has been shown conclusively that they can take it from cattle.

Dr. Koch, of Germany, the discoverer and great authority on the tubercle bacillus, astonished the world by an nouncing that the human bacilli and cattle bacilli were different and that the precaution against the spread of the concerned, such as pigs, it has been shown conclusively that they can take it from cattle.

Dr. Koch, of Germany, the discoverer and precaution against the spread of the precaution against the spread of the precaution against the spread of the cattle was made by veterinary Frink, of St. John, who it is said, largely concurred in Dr. Hall's said, largely concurred in Dr. Hall's

ACCEPTS APOLOGY.

GAR CONDUCTOR

Rupert Cobham, a conductor on the

Language Case,

street railway, was in court this morning with his counsel, J. B. M. Baxter, and made a complaint against J. Harvey Brown for using abusive language to him on a car a couple of weeks ago.

Mr. Cobham said that when he asked for fares he received nothing from Mr. Progress the hall was raided and a panic followed. No person was killed there Brown, who was an the car, and that
Mr. Brown upbraided him and told him
that he better sober up. Mr. Brown
had a transfer, but did not give it to
witness the half was raised and a panic
followed. No person was killed there.
Subsequently the crowd came in contact with a detachment of cavalry, revolver shots were fired by some of the

the witness, owing to some little trouble between the two about ten days previous, it was a trying time. When Mr. Brown got to the Douglas avenue car he said he told the conductor that his transfer had not been punched by Cobham as it should have been. The transfer was timed correctly and should have been punched. Mr. Brown further said that dobham had said that he (Brown) had better be careful or he might be laid out like a man had been.

might be laid out like a man had been on Douglas avenue some time before. If he had done any wrong to Mr. Cobham he was sorry for it. He had reham he was sorry for it. He had reported the matter to the Street Railway Company, and said to Col. McLean that he did not wish the man discharged but punished for making the threats. One of the men on the car at the time was John Russell, and he said he saw the transfer and held the young man was wrong. About 10 days before the occurrence, witness said, he had paid Conductor Cosgrove two fares on Douglas avenue, and when Cobham took charge of the car he had to de on Douglas avenue, and when Cobham took charge of the car he had to demand twice before Cobham gave him transfers. At the time of the last complaint he said Cobham seemed half drunk. He could smell liquor and told the conductor that he had better sober that the the cohem told the conductor that he had better sober the transfer that Cobham told the conductor that he had better sober the conductor that he had to demand twice he fore confronted by families.

As the increased prices of food, and they are even confronted by families.

As the demands of the men are purely political it seems impossible to satisfy them by economic concessions.
