## NO EXHIBITION FOR ST. JOHN THIS YEAR AFTER ALL

Exhibition Association at Meeting Last Night Decided to Abandon the Project as There Were No Suitable Dates that Would Not Conflict With Other Fairs --Horse Show or "Old Home" Week Suggested.

St. John will have no exhibition this fall after all. It is possible, however, that there may be a horse show or "old home" week during the summer or autumn instead. It was decided to abandon the project at a meeting of the Exhibition Association in the Board of Trade rooms last night. The reason for this decision is the fact that there are practically no open dates between Sept. 2nd and Oct. 15th. A resolution was passed in favor of holding a St. John exhibition in 1908. Those present were A. O. Skinner, who acted as chairman, W. H. Barnaby, Henry Gallagher, B. R. Macaulay, W. G. Scott, C. B. Allan, T. H. Edwards, E. A. Schofield, Dr. Hetherington, E. L. Rising, E. J. McCullough, E. Lawton, W. H. McQuade, T. Warwick, F. A. Dykeman, W. P. Burdett and C. J. Milligan. Mr. Milligan acted as secretary.

The first matter brought before the meeting was that of the dates on which it would be suitable to hold the local exhibition. A general discussion on this subject took place. It was pointed out that there were no open dates between September 2nd and October 15th. The following are the dates: Sherbrooke, Sept. 2 to 12; Fredericton, Sept. 14 to 21; Halifax, Sept. 25 to October 3; Charlottetown, October 7 to 15. In view of the fact that the St. John exhibition could not be held without conflicting with other fairs W. H. Barnaby moved, seconded by E. L. Rising, that the St. John exhibition should be held in 1907. The motion was carried without dissenting voice. C. B. Allan moved that the meeting and the Exhibition Association tender a hearty vote of thanks to B. R. Macaulay for the efforts put forth by him in connection with raising an exhibition fund. E. A. Schofield seconded the motion, and it was passed unanimously.

## HAYWOOD PLACED ON TRIAL FOR STEVENSBURG MURDER

Beginning of a Trial Which Promises to be of a Most Sensational Nature.

BOISE, Idaho, May 8.—Wm. D. Haywood, secretary and treasurer of the Western Federation of Miners today was placed on trial for complicity in the murder at Caldwell, Idaho, on December 30, 1905, of former Governor Frank Steiensenburg. Haywood is one of four defendants charged with the murder. The others are Charles H. Moyer, president of the Federation; George A. Pettibone, a former member of the executive committee, and Harry Orchard, who is expected to be the most important witness for the state against Haywood. Moyer and Pettibone were transferred to the county jail here, which comprises the basement floor of the county courthouse. The trial was set for today at 10 o'clock in the district court of the Third Judicial District. The presiding judge is Judge Fremont Wood, a native of Maine. Judge Wood is regarded as a careful, deliberate man, and the prosecution and defense in the present trial believe that he will see that equal justice is done. Orchard is confined in the Idaho State penitentiary, several miles out of this city. He is kept under careful guard.

Orchard will not be tried until all the other cases are disposed of. It is said that the evidence against him is so strong that he cannot hope for other than a conviction of murder in the first degree. Orchard, it is said, has been promised no degree of clemency whatever. Having admitted his active part in the crime, Orchard unquestionably will be executed. Caldwell, where the murder was committed, is the county seat of Canyon County. A change of venue to Boise, the capital city of Idaho, and county seat of Ada County was granted on the motion of the defense. Haywood, Moyer and Pettibone were transferred to the county jail here, which comprises the basement floor of the county courthouse. The trial was set for today at 10 o'clock in the district court of the Third Judicial District. The presiding judge is Judge Fremont Wood, a native of Maine. Judge Wood is regarded as a careful, deliberate man, and the prosecution and defense in the present trial believe that he will see that equal justice is done. Orchard is confined in the Idaho State penitentiary, several miles out of this city. He is kept under careful guard.

## MEETING OF THE METHODIST BOOK ROOM COMMITTEE

Held in Halifax—A Change in the Editorship of the Wesleyan.

Dr. Howard Sprague returned this morning from Halifax where he was attending a meeting of the committee of the general conference. The business occupied all day Wednesday. The affairs of the bookrooms and of the Wesleyan office were examined and found to be satisfactory. A change of editions of the Wesleyan will take place on June 1st. Rev. Dr. McLean, who has been editor for the past four years will go to the Manitoba conference. He will be succeeded by Rev. Dr. H. Johnson, of Windsor, N. S., one of the most prominent ministers of the Nova Scotia conference. At the meeting on Wednesday, the committee heard Rev. Mr. Johnson's views on the conduct of the paper. A resolution was passed expressing appreciation of Dr. McLean's very able services as editor, and wishing him happiness and prosperity in the West. J. D. Chipman of St. Stephen who also attended the meeting went through to his home in St. Stephen today. Rev. Mr. Marshall, another member was unable to attend the meeting owing to illness in his family. Rev. George Steele was also present. The committee at a reorganization meeting, elected Rev. George Steele, chairman, and Rev. George Steele, secretary.

## LONGBOAT HAS BEEN MADE A CHIEF OF THE ONONDAGAS

Western Coal Operators Not Satisfied With the Agreement Just Completed.

MONTREAL, May 9.—Thos. Longboat, the Indian runner, has been made an honorary chief of the Onondagas tribe of Indians and has been given the name of Dayohoneh, meaning "Dawn of the Sun." TORONTO, May 9.—G. S. Lindsey, general manager of Crows Nest Pass Coal Co., Ltd., and president of the Western Canadian Coal Operators' Association, arrived in town last night from Fernie. When asked by the press with the result of the strike settlement, he said: "The settlement of the strike pleases none of the operators. We were entitled to a uniform set of conditions and prices in this new competitive field, the same as they have every competitive field in America, but we were told that at the present time such a basis of settlement could not even be considered and we are as far off as ever we were." TORONTO, May 9.—Charles E. Turner, the former U. S. consul at Ottawa, and a well known mining man, of the Elk land district on the Montreal river, Cobalt, who had been ill with pneumonia since April 28th at the General Hospital here, died last evening.

## MONTREAL SUPPORT ACCORDED TO THE TORREY MISSION

MONTREAL, May 8.—The support accorded by Montreal to the Torrey mission may be gauged from the following official figures given out: Dr. Torrey received \$1,000 while \$700 was divided between his three assistants, Messrs. Jacoby, Butler and Parker, and \$850 was paid for the use of the St. James Methodist church. The amount of collections was \$2,700 and expenses of session in addition to those paid to the evangelists and his helpers were \$2,200. There was thus a debit balance of \$500 which was provided for by personal subscriptions. As regards religious results it is announced that the revival invitation accepted Christianity brought responses from 2,572 persons, who stood up for God and were afterwards dealt with by the mission workers.

## DRIVES ARE ALL SAID TO BE COMING ALONG WELL

But Rain is Needed in All Sections — River is Still Falling.

FREDERICTON, N. B., May 9.—Timothy Lynch returned from the Miramichi last night. He says that the drives on that river are all doing well, though warmer weather is very much needed. Both his and Welch's are coming along and some of the best places have been passed. Burt's drive on the Keewick has been delayed somewhat by the falling water. He has five millions but expects to reach the mill at Burt's Corner by Saturday. Reports from up river are to the effect that the snow is rapidly wasting without much benefit to the streams. The drives are coming along fairly well but rain is much needed. Harry Burns, who is operating for Randolph and Baker at the head waters, is having a hard time owing to difficulty with his dam. He has about two and one-half millions. The Hallett drives on Sighe and Quilpe are coming along well though they have their troubles. The Halletts are operating for Randolph and Baker and have eight millions. Frank Smith, M. P. P., who is in the city today, says that his two millions on the Miramichi are coming along all right but it is difficult work and better weather conditions are much needed.

## POLICE REPORTS.

Louis Coley has been reported by the police for doing a dry goods business at 22 Brunswick street without a license. Fred Dixon has been reported for working in the city without a license. James Oakes will be asked by the court why he allowed his horses to roam at large on Sheffield street yesterday. The door of the Time-table Distributing Company on Water street, was forced by the police last night. The police were called by Charles Swanton last night to eject a young man named Boone from a yard off St. Patrick street. Arthur Bron has been reported for obstructing the crossing on the corner of Carmarthen and Lennox streets yesterday, with a horse and wagon. A keg found Waterloo street, awaits an owner at central station. George Winchester raised a disturbance in John Nadeau's house, Chesley street, last night and had to be removed by the police. The police report having found two bags of feed outside I. B. Kierstead's store door on Thorne avenue (Westmount road), last night and placed them in James Cooper's building for safe keeping. The officers report that a cover is off a gas stop-cock in front of Vauvart's grocery, Main-street, and as it is above the sidewalk about two inches it is an obstruction to pedestrians. A very successful concert was given in the Carleton City Hall last evening by the pupils of the private gymnasium, assisted by Messrs. G.S. Mayes and D. Arnold Fox. The drills, readings and dumb bell swinging were the same as at the concert in Trinity the previous evening, and were highly enjoyed. Mr. Mayes' solos as usual were much appreciated and called forth hearty applause. There was a large audience.

The funeral of the late Mrs. Rose E. Crawford took place this morning from her late home in Fairville to St. Rose's church, where Rev. Father Collins read the burial service. Interment was in the Musquash burying ground.

WANTED.—At the ROYAL HOTEL, one Kitchen Girl, and one Chamber Girl. 9-5-8

A SMART NORFOLK JACKET.

2324—There is no style of jacket which remains so trim and becoming to many people as the Norfolk with its jaunty box pleats and hip length. Such a coat is sketched here and the home dressmaker will find it one to be easily and satisfactorily made at home. The sleeves are of full length as belted suits a wrap and the gracefully rolling collar provides a neat finish for the neck. A yoke is provided for in the pattern as many like them and this may be applied or not as desired. The coat may be made of any of the new worsteds, serge, cheviot, covert or broadcloth and velvet or the same material may be used for collar, cuffs and girdle. The medium size calls for 3-1/4 yards of 54-inch material. 2324—Sleeves, 32 to 40 inches bust measure.

## SYNOPSIS OF CANADIAN NORTH-WEST HOMESTEAD REGULATIONS

Any even numbered section of Dominion Lands in Manitoba, Saskatchewan and Alberta, excepting 8 and 36, not reserved, may be homesteaded by any person who is the sole head of a family, or any male over 18 years of age, to the extent of one-quarter section of 160 acres, more or less. Entry must be made personally, at the local land office for the district in which the land is situated. The homesteader is required to perform the conditions connected therewith under one of the following plans: (1) At least six months' residence upon cultivation of the land in each year for three years. (2) If the father or mother, if the father is deceased, of the homesteader resides upon a farm in the vicinity of the land entered for, the requirements as to residence may be satisfied by such person residing with the father or mother. (3) If the settler has his permanent residence upon farming land owned by him in the vicinity of the homestead, the requirements as to residence may be satisfied by residence upon the said land. Six months' notice in writing should be given to the Commissioner of Dominion Lands at Ottawa of intention to apply for patent.
