Headaches Over the Eyes Mean Frontal Catarrh

TRY TO GET INTO EARS, CAUSING DEAFNESS, OR TO REACH THE LUNGS AND END IN CONSUMPTION.

You Can Cure Catarrh in Any Stage by Breathing the Healing Balsamic Fumes of Catarrhazone, and Here is Proof.

Mr. Uric Berrault, a young gentleman who has lived for years in Sweetburg, Que., inherited catarrh from his father. The disease spread through his system till he was a physical wreck.

"As a child," said Mr. Berrault, "I was prone to an ulceration of the mucous lining of the throat and nasal passages.

"I grew pale and emaciated, lost all desire for food, and got into such a dreadful condition that my friends said that Catarrh was fairly eating me up.

"Every organ of my body seemed affected, and the doctor said it was the first stage of consumption. He advised Catarrhazone and I inhaled it ten minutes at a time every few hours, and was rewarded in a few days by a wonderful improvement.

"Catarrhazone pleased me and the doctor so well that I used it continually, and took Ferrozene Tablets after each meal to build up my strength. In about three weeks I was quite recovered, and the doctor says no remedy but Catarrhazone could work such a miracle.

"Everyone in town knows I was just about dead with catarrh, and my cure is an evidence of what Catarrhazone can do. It is a pleasure to recommend Catarrhazone."

Two months' treatment, large size, price \$1.00. Small size, price 50c. All reliable dealers or the Catarrhazone Co., Buffalo, N. Y., and Kingston, Ont. Beware of dangerous substitutes and imitations for "Catarrhazone."

"SOME HATE MEAT, AND CANNA EAT" So Bobby Burns tersely describes the rich, but still poor, dyspeptic. But their case is not so, so desperate as when Burns wrote. For the man who has the food now can eat without suffering if he just follows the meal with a Na-Dru-Co Dyspepsia Tablet.

These remarkable tablets banish the troubles of the chronic dyspeptic—the man who is bilious—the sufferer from heartburn, gas on the stomach or occasional indigestion. You can eat hearty meals of wholesome food—and digest them, too—if you take Na-Dru-Co Dyspepsia Tablets.

Compared by expert chemists, after probably the best formula known to medical science, they are quick and certain in their action, giving prompt relief from all forms of stomach trouble, toning up and strengthening the digestive organs and bringing about permanent cures.

A man is no stronger than his stomach. Fit yourself for your best work by taking Na-Dru-Co Dyspepsia Tablets, 50c. at your druggist's, National Drug and Chemical Co. of Canada, Limited, Montreal. 14c

SALE OF LAND BY THE BOARD OF PUBLIC WORKS

AFTERNOON OR SATURDAY

Much Business Before Special Meeting - Applications for Lancaster and West End Lots - Contracts Awarded for Fire Department Supplies - Chief Clarke Replies to Criticisms of Force.

At a special meeting of the Safety Board on Saturday a large number of applications to purchase or lease city lots were considered, and contracts for fire hose and salvage covers awarded.

Ald. J. B. Jones presided and those present were Ald. Wignome, Elliott, C. T. Jones, Wilson, Green, Potra, Mayor Fink, the common clerk, Director Wisely, Chief Clarke, and Chief Kerr.

The first business was the reception of the report of the sub-committee appointed to consider applications to purchase lots from the city. The report recommended the acceptance of the offer of W. E. Barnhill, of \$1,000 for the lots corner of Main and Church streets, and \$3,000 for lots on the Manawagonish Road. Both properties are under renewable lease to Mr. Barnhill.

Ald. Green moved that Mr. Barnhill be sold the two properties for \$4,000 without the triangular strip, bounded by the pipe line.

After some discussion it was decided to recommend the sale to Mr. Barnhill of both properties, including the triangular strip for \$4,100.

It was recommended that James Ready be sold lots on the Manawagonish Road for \$2,500, provided he relinquish all rights across the pipe line.

Ald. Green moved that the price be raised to \$4,500. Mr. Ready's lease would not enable him to demand payment for improvements to the land in excess of \$20 an acre, and it would be better for the city to expropriate that sell for \$2,500, he said. The motion to sell for \$4,500 was adopted.

Curious Crisis in Scholastic Career of a City Lad—Conflict Between Phases of School Law.

HOW ONE SMALL BOY OBTAINED A HOLIDAY

A crisis has developed in the career of a certain youth of this city, Johnny, as our hero may be called, that not happening to be his name, is a young man of six years who entered the school for the first time in the local public schools last fall.

About two weeks ago Johnny contracted a slight attack of mumps, and although the malady was not serious enough to require the services of a medical adviser, the lad was unable to attend school for several weeks.

Now having completely recovered, Johnny's fond parents despatched him safely on his way to school, but what was the consternation half an hour later to see him gaily tripping home with the tidings that the teacher had refused him admission without a medical certificate to the effect that he had quite recovered from that dread malady the mumps.

About this time, Johnny's father, a well known business man, began to consider that as he had not needed a doctor to cure his son and as there was no law to compel him to spend \$2.00 on a medical certificate, he would simply sit tight and allow fate to work its will.

But in order to help fate in this commendable programme, he first got into communication with an official in the office of the school trustees and apprised him of the fact that his son was a case for the truant officer.

And at this point the deadlock occurs. Johnny was quite willing to go to school and the truant officer quite willing to take him. The law requires the truant officer to take the boy to school and to provide for him until he secures the necessary certificate of health. Also there is no way to compel him to obtain the certificate. The father absolutely refuses to make the necessary outlay to secure the required document. Meanwhile Johnny is enjoying his holidays to the full.

Will Ask for Higher Wages. At the meeting of Canadian Association of Stationary Engineers, St. John, Feb. 28, it was resolved to ask for an increase of wages on April 1.
