HOCKEY GAMES TONIGHT.

Hockey is a game that furnishes more surprises than any other and tonight's game will probably be no exception.

The 115th team which plays the St. Johns, tonight, furnished a big surprise to their friends in the way they went after the Artillery boys from Fortitude Island in their game last Friday. The addition of Jones, a former member of the Chatham semi-professional team, and Laker in goal, has produced a mighty fast team.

St. John fans received a wire from Montreal stating that their goal keeper would be on deck tonight and would arrive by the noon train. This will mean that Speedy will play his old position at point; McShane and McMon-

Master of Mirth in Music

Master of Mirth is the title given to Henry Clay Barnabee, known in Europe as one of the most active singers of opera roles of his time. He was the original Sheriff of Nottingham in "Robin Hood," and played Sir Joseph Porter in "Pinafore." He was for over sixty years known as the only man who could sing "The Cork Leg" and the ballad "O Loving Heart, Trust On," written for him by Gottschalk, the famous composer. Mr. Barnabee was a leading spirit of the old Boston Ideal Opera Company, which continued for many years as one of the most popular musical organizations known to opera lovers. In later life he retained his splendid quality of voice, still singing many of the songs which he made famous.

"O Loving Heart, Trust On," and others of the Barnabee songs are to be found in that beautiful volume "Heart Songs" now being distributed by this paper. Look elsewhere for the coupon giving the terms to our readers.
