CITY OF OSTEND, BELGIUM, CLEARED OF THE ENEMY

KING ALBERT'S FORCES CROSS YSER AND MARCH ON OSTEND

**Belgians Also Make Progress in Region North of
Thourout and Advance in Direction of Thiel—
Haig Begins Attack Southwest of Cambrai—
Germans Fight Hard South of Valenciennes.**

London, Oct. 17.—Ostend is reported clear of the enemy, says a statement from the British Admiralty today.
Belgian forces, under command of King Albert, which crossed the Yser River, are marching on Ostend.
The Belgians also made progress in the region north of Thourout and advanced in the direction of Thiel.
Field Marshal Haig's forces this morning began an attack on the Scheldt-Locateau front, along the Selle River, southwest of Cambrai. Satisfactory progress was reported by the British commander in his official statement.
During the night the British gained ground southwest of Lille, capturing a few prisoners.
The Germans have been counter-attacking to the north of here and in strong local thrust at Haussy, in the region south of Valenciennes, pressed the British back in the western edge of the village.
British in Control.

London, Oct. 17.—British forces entered Coutrai during yesterday's fighting, according to a statement issued at the war office today. More than twenty villages were captured by the Allied forces in Belgium during the day.
The text of the official statement follows:
"On the 16th, despite the storm, Belgian, British and French troops continued their attacks between Dixmude and the Lys River. Brilliant assaults over a front of thirty-one miles enabled them to advance to an average depth of more than three and a half miles. The British crossed the Lys, pushing beyond Menin to a depth of several kilometres on the right bank.
"Thourout was captured by the Belgians. Lichtervelde and Ardoois were taken by the French, while the British captured Menin. According to the latest report British troops have entered Coutrai.
"Twenty villages were delivered from the enemy. No figures are available regarding captured prisoners and booty.
"Headquarters American Expeditionary Forces, Oct. 16.—The first American army continued its attacks today. To the east of the Meuse we advanced in the Bois De La Grand Montagne and held the Cote De Chailion. They are south of the Bois Des Loges and at night were fighting in Champigneulle and Grand Pre. Along the front of the Second Army the day was quiet. During the night enemy raids were repulsed.
Washington, Oct. 17.—Advances by the American First Army east and west of the Meuse are recorded in General Pershing's communique for Wednesday.
ONE MILLION DEAD.
London, Oct. 17.—Up to the present nearly one million lives have been sacrificed in the war, according to information received by Reuters' Ltd.

DOUBLE TRAGEDY IN A POLICE STATION

Police Janitor of Edmonton Killed and Merchant Has Bullet in Heart.

Edmonton, Alta., Oct. 17.—Frank Beeves, janitor at the City Police Station, is dead, and Sam Capper, who operates the Liberty Clothing Store, is in the hospital with a bullet hole through his heart. The murderer is still a fugitive from justice, and the police say he is Jos. Cameron, who recently came to Edmonton from Calgary.

FIRES UNDER CONTROL.

Duluth, Minn., Oct. 17.—Fires throughout the burning districts of six counties of Northern Minnesota, tonight are considered well under control, and there seems little chance of their breaking out again.
The entire section of the country is being patrolled by hundreds of soldiers and home guards, and every blaze that is not isolated by back firing, is being quenched before it gets a start.

In Flanders' field.

In Flanders' field the poppies blow
Between the crosses row by row,
That mark our place; and in the sky
The larks, still bravely singing fly,
Scarce heard amid the guns below.
We are the dead; short days ago
We lived, felt dawn, saw sunset glow,
Loved and were loved, and now we lie
In Flanders' field.

Take up our quarrel with the foe,
To you from failing hands we throw
The torch; be yours to hold it high.
If ye break faith with us who die
We shall not sleep though poppies grow
In Flanders' field.

If Lt.-Col. John McCrae, who wrote this poem, and who now sleeps in Flanders' field were able to speak to his fellow countrymen in Canada he would tell them that to subscribe to the Victory Loan is to take up the quarrel with the foe and keep faith with them who die.

DOUBLE BEREAVEMENT.

Summerside, P. E. I., Oct. 17.—The sympathy of the entire community goes out to Mr. and Mrs. Donald Matheson of Summerside, and family in their double bereavement, which has befallen them. Mr. Matheson received a telegram conveying the sad news that his son, Pte. Gilbert Sutherland Matheson had been killed in action. A few minutes after the reading of the sad message, their young son, daughter, Miss Beth, who had been ill for the last few months, breathed her last. She was 15 years of age.

When will it end?

Thousands upon thousands, endless thousands, hold their lives cheap as the price of Victorious Peace.

And we—as we watch from afar their heroic efforts—may we be able to say, that the little we at home could do, we have done;

—that in so far as we could support them, lighten their burdens, bring them comforts, we have done it;

—that we have striven unceasingly to shorten their stay in the Hun-made Hell;

—that freely, fervently, unitedly, we have laid our humble offerings alongside their noble sacrifices on the altar of Victory—and Peace.

Another opportunity to lend your individual weight to the blow that will shorten the war comes with the offering of Victory Bonds about to be made. Let not the privilege to do your share find you unprepared.

Issued by Canada's Victory Loan Committee in co-operation with the Minister of Finance of the Dominion of Canada.
