

## SPECIALS ARE CALLED OUT TO GUARD LONDON

Government Reported to Fear Trouble With Many Thousands of Workless.

### LIVERPOOL KEEPS CLOSE WATCHES

Sinn Fein Attempts Against Lives and Property Are Very Numerous.

London, Nov. 30.—The members of the special constabulary attached to the London metropolitan police have been warned to hold themselves in readiness for service should the continuance of trouble in England charged to the account of Sinn Fein necessitate their being called out. The special constabulary is composed of thousands of civilians who voluntarily assist the regular police when necessary. The police this afternoon issued a statement with regard to the morning bomb explosion here in the course of which it was said: "As far as the police authorities can judge, the evidence does not point to the occasion being due to any organized attempt of general damage to property."

Specials Are Out. The "Boat" the Liverpool suburb which suffered from the incendiary bomb of last Saturday night the special constabulary was called out today. The corporation of Bootle has decided that the use of the town hall shall not be granted for political purposes and in application to use it Sunday next a meeting of Irish societies to be addressed by Archbishop Mannix has been refused.

In Liverpool every possible precaution is being taken against a recurrence of the trouble. The docks and all other places which might be attacked are heavily guarded. The search for the incendiaries is being vigorously continued and seven men are under arrest. The Liverpool Echo says one of the men arrested is a minor official of the customs staff, and that no charges have been preferred against him as yet.

The Workless Too. A report is being circulated generally about London that the government fears trouble not only from the Sinn Fein, but also from the thousands of unemployed who recently evidenced an ugly temper in the Downing street riot. This, however, is answered in police circles by emphatic assertion that the sole reason for the precautions is because of the danger of Sinn Fein attempts against lives and property. The police declare they are to take no risks and therefore they have prepared for eventualities.

DYING IS GETTING CHEAPER IN BAVARIA

(Copyright, 1920, by Cross-Atlantic.) Munich, Nov. 30.—Profiteering in coffins is being fought by a co-operative society which has been established at Stuttgart under the auspices of the local authorities. By this means a reduction of 30 per cent in the price of coffins has already been effected. The residents—so a local paper writes satirically—are of course grateful for this lower cost of dying, but a reduction of living expenses would have been more welcome.

Decline of the Parlor. One of the large manufacturing companies of the United States is engaged in the construction of a great number of houses for its employees, and while there are many novel features in the way of making convenience, the most striking thing about the homes is the total absence of the usual parlor. The space is thrown into the other rooms. It looks as if the parlor was out of fashion.

Cuticura Soap—The Healthy Shaving Soap

A Stubborn Cough Loosens Right Up

There is a home-made syrup which millions of people have found to be the most dependable means of breaking up stubborn coughs. It is cheap and simple, but very prompt in action. Under its healing, soothing influence, chest soreness goes, phlegm loosens, breathing becomes easier, tickling in throat stops and you get a good night's restful sleep. The usual throat and chest cures are conquered by it in 24 hours or less. Nothing better for bronchitis, hayfever, croup, throat tickle, bronchial asthma or winter coughs.

To make this splendid cough syrup, pour 2½ ounces of Pinex into a 16-oz. bottle and fill the bottle with plain granulated sugar syrup and shake thoroughly. If you prefer, use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, you get 16 ounces—a family supply—of much better cough syrup than you could buy ready-made for \$2.50. Keep perfectly and children love its pleasant taste.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, known the world over for its prompt healing effect upon the main-bronchus.

To avoid disappointment ask your druggist for "2½ ounces of Pinex" with full directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Toronto, Ont.

## Rub Rheumatic Pain, Soreness, Stiffness

Rub Pain right out with small trial bottle of old "St. Jacobs Oil."

What's Rheumatism? Pain only. Stop drugging! Not one case in fifty requires intensive treatment. Rub soothing, penetrating "St. Jacobs Oil" directly upon the "tender spot" and relief comes instantly. "St. Jacobs Oil" is a harmless rheumatism and sciatica treatment, which never discolors and cannot burn the skin. Linger up! Quit complaining! Get a small trial bottle from your druggist, and in just a moment you'll be free from rheumatic and sciatic pain, soreness, stiffness and swelling. Don't suffer! Relief awaits you. Old, honest "St. Jacobs Oil" has cured millions of rheumatism sufferers in the last half century, and is just as good for sciatica, neuritis, lumbago, backache, sprains and swellings.

## SHORT COURSES FOR SOLDIER SETTLERS

By an arrangement with the Soldier Settlement Board the Department of Agriculture of the various provinces have decided to put on a series of short courses for soldier settlers. These will be held in districts where a considerable number of returned men are on the land. An arrangement also has been made to furnish each soldier settler in Canada with agricultural bulletins from the Department of Agriculture of Canada as well as the province of Ontario.

BOY DIES FROM GUNSHOT WOUNDS. Accidental Discharge of Gun Proves Fatal to Five Year Old Lad.

Special to The Standard. Charlottetown, Nov. 30.—A tragic accident occurred at French River on Thursday afternoon as a result of which little five-year-old Arnold, son of Mr. and Mrs. James Pidgeon of that place, met his death. It appears that the little fellow's older brother, a lad about 16 or 17 years of age, was cleaning a gun in the house at the time. He had removed the charge and had put it back, when the gun accidentally discharged, the shot entering the child's side, severing all the arteries in its track. A physician was hurriedly summoned, but all efforts to save the little one's life proved futile. He only survived an hour and ten minutes after the fatal wound was received. Needless to say the brother and parents and the rest of the family felt terribly over the sad event, which is but another reminder of the need of the utmost care in handling fire-arms.
