CERTIFICATES.

As it would be impossible for us to publish all the Certificates we have actually received, without occupying As it would be impossible for us to publish all the Cartification we have actually received, without occupying too much space, and thereby seriously lessening the interesting part of our Annual; we here submit instead, a List of parties from whom we have received Testimonials, and of others in various parts of the Country, to whom Reference may be made as to the intrinsic value of our Preparations. We trust our efforts to maintain the VICTORIA ILLUSTRATED ANNUAL as the most interesting and valuable one issued gratis to the public, in this or any other country, will be duly appreciated by our friends and the public generally; and that we shall feel this in a very tangible manner, by the much increased demand for all the articles we manufacture.
