78 LESS AVENUE, OTTAWA, ONT.
"Three years ago, I began to feel
run-down and tired, and suffered
very much from Liver and Kidney
Trouble. Having read of 'Fruit-a-
lives', I thought I would try them.
The result was surprising.

I have not had an hour's sickness
since I commenced using 'Fruit-a-
lives', and I know now what I have
not known for a good many years—
that is, the blessing of a healthy
body and clear thinking brain."

Miss Mary McEachern, of the Ches-
ley High School, who has been at her
home at Tait, since the epidemic
weeks owing to her school being
closed on account of the epidemic,
returned to Chesley on Saturday, the
school re-opening this week.

The death occurred from pneumo-
nia, following influenza, of Jeremiah
B. McAuliffe, better known as "Jerry,"
G. T. R. conductor, in St. Joseph's
Hospital, London, on Wednesday. De-
ceased, who was 32 years of age, was
the eldest son of John F. McAuliffe,
the well-known G. T. R. conductor.

Send us the news from your com-
munity, and be on the map. Send it
early, and don't be discouraged or
offended if we sometimes condense,
eliminate or alter the reading of parts
of it; there may be good reasons for
this doing. Lastly—sign your name;
this for the editor's information only.

Some interesting war trophies are
on exhibition in the window of Chas.
Dean's store, and include a German
gas mask and helmet, a German cap,
a German knapsack, tunic straps, etc.
They were sent to Mrs. John Tait,
whose husband has been serving at
the battle front for some time.

Pte. Thomas Thorne, who went
overseas with the 135th from Glencoe,
has been awarded the military medal
for distinguished services on the night
of August 30. This makes at least
four of the boys of the "C" com-
pany to receive military medals,
two of the others being Pte. H. A.
Cavalier and Sergt. Newman, the latter
obtaining a bar as well.

Reeve A. J. Wright wishes to ex-
press his thanks to the citizens for
their prompt and united response to
the call for a victory celebration on
Monday. The hearty manner in
which everybody took hold and made
the demonstration a success was
greatly appreciated. Especially are
thanks due the members of the various
committees, as well as Messrs.
Dean and Henry, who secured the
music for the parade and who ac-
cepted no remuneration. Out of a col-
lection of \$10.70 taken up for the
music \$5 was paid to Piper Hamilton
and \$2 for his conveyance, leaving a
balance of \$3.70 which was divided
equally to the Red Cross and Daugh-
ters of the Empire societies.

Spare the children from suffering
from worms by using Miller's Worm
Powder, the most effective vermi-
fuge that can be got with which to
combat these insidious foes of the
young and helpless. There is no-
thing that excels this preparation as
a worm destroyer, and when its qual-
ities become known in the household
no other will be used. The medicine
acts by itself, requiring no purgative
to assist it, and so thoroughly that
nothing more is desired.

The child who is afraid of the dark
may become a politician when he
grows up, and fear the light.

Asthma brings misery, but Dr. J.
D. Kellogg's Asthma Remedy will re-
place the misery with welcome relief.
Inhaled as smoke or vapor it reaches
the very-inmost recesses of the bron-
chial passages and soothes them.
Restriction passes and easy breathing
returns. If you know as well how
this remedy would help you as do
thousands of grateful users, there
would be a package in your home to-
night. Try it.

As a matter of business, what do you think of the plan?

You are a farmer.
Canada is a farming country.
Canada grows more food than the
people of Canada need.

To prosper she must sell that sur-
plus food.

Great Britain is our best customer
for grain, pork, beef, cheese and other
farm products.

Every practical man must see how
important it is to hold the British trade.
Canada wants not only the profit on
this trade, she wishes to create a good-
will in Britain towards Canadian pro-
ducts and thus assure our export busi-
ness for the future.

At the moment Great Britain asks
for credit, asks Canada to sell her the
products of the farm, "on time." To
hold her trade, it is necessary to give
this credit.

This takes capital—immense capital.
For Britain's purchases from Canada
are huge, and these purchases must be
paid for in cash.

In these times, it is not easy even
for a nation as wealthy as Canada to
procure money. Certainly, no other
country can lend us money. The only
way now open for Canada to secure
money is to borrow from the people of
Canada.

DAN MCARTHUR WRITES

France, October 11, 1918.
Dear Mother—In these our times
went through in casualties, as I ex-
pect they did, as gassed, I am writing
at first opportunity to let you know
that I am feeling only slight effects.
I do not think it will as it was neither
mustard nor phosgene, which are the
dangerous varieties. We were going
into action with the guns yesterday
morning when a shell full of some
kind of rotten dope landed beside us
on the windward side, and we were
greatly surprised. Especially are
thanks due the members of the various
committees, as well as Messrs.
Dean and Henry, who secured the
music for the parade and who ac-
cepted no remuneration. Out of a col-
lection of \$10.70 taken up for the
music \$5 was paid to Piper Hamilton
and \$2 for his conveyance, leaving a
balance of \$3.70 which was divided
equally to the Red Cross and Daugh-
ters of the Empire societies.

MELBOURNE

The ladies of our village and vicinity
packed about 30 boxes to be sent
to the boys overseas a few days ago.
Miss B. C. Buchanan spent Sunday
with friends in St. Thomas.

The post office inspector paid a visit
to our village recently.
Some of our citizens had a celebra-
tion on Thursday evening when it was
reported that the war was over.

Owing to the Spanish flu the church-
es and schools have not yet opened.
We hope that another week will see
them opened up once more.

USEFUL WAR SOUVENIR

The War Album issued by the Fam-
ily Herald and Weekly Star of Mon-
tréal is to hand and is a credit to the
publishers. A copy is sent free to
every subscriber of the paper for 1919.
The Album contains a mine of val-
uable information and the color work
could not be improved on.

It is just such a book as one would
like to have close by at all times.
Every school child in Canada should
have it. In after years when the war
is over it will be a valuable book of
reference. The Family Herald stocks
only \$1.25 a year and with the Album
is certainly big value.

At a recent Shorthorn sale held at
London by the Western Ontario Con-
signment Company, Wm. Walde of
Stratford sold the pure bred Scotch
bull Rosewood Baron, of the noted
Rosewood family, to Daniel Trestant
to head his herd on Treganna Stock
Farm, the price being \$700. Every
cross of breeding on both sire's and
dam's side was bred in Great Britain
by such noted breeders as William
Duthie, J. Bruce, Lord Lovat, A.
Crickshanks, and so forth, making
him one of the choicest bred Short-
horn bulls in Canada.

The farmer who fails to take a
weekly paper that is devoted to his
interests surely is not farming with a
view to profit. You cannot make the
farm pay all it can pay without a pa-
per that takes a lively interest in your
welfare. One reason why other
branches of industry are united more
closely than the farmer is because
they support the publication of their
respective businesses. So should
you. One dollar sent direct to The
Weekly Sun, Toronto, will pay your
subscription for that paper for the
full year of 1919 with the balance of
1918 free. You will find The Sun a
very great help to you and well worth
the price. Every reader of The Sun
is a Sun booster.
