THE INGERSOLL, SERGEANT DRILL CO'Y.
Havemeyer Building, 26 Courtland St., N.Y.

The Wells Light Mfg. Co.,
No. 44 Washington St., City.

Gentlemen:-

What to say about the "Wells Light" to properly show our appreciation of it is indeed a problem.

Its luminosity is a close second of the X Rays. It diffuses a light that enables one to see around a corner, and its coming does not cast a shadow before.

Your truly,
The Ingersoll-Sergeant Drill Co.

A. J. K.

WELLS LIGHT MFG. CO.
