Answers to Correspondents. (Concluded.)

ALICE G .: - A formula for a wash, give by a noted specialist at the request of number of ladies obliged to do their ow housework, and desirous of keeping the

hands in nice order, is as follows:
Rained or holled water.....! gallon.
Powdered horax...! ounce.
Oat meal ! package.

Let the mixture stand for two or three days; then strain and add a little alcole to keep it. If desired, a little glyceria may be added to the mixture, though it not necessary, as the oatmeal provides a oily element.

Francis:—A dainty cold luncheon, surable for the afternoon, may consist a chicken salad served with small finger of or thin buttered sandwiches; after the salad come ices, cake and fruit and a smi cup of black coffee is usually served be The most popular manner of serving luncheon of this kind is at small tabe daintily covered with luncheon cloths, a with only an embroidered centre piez showing the polished wood all roug Small bowls of flowers on each table r very decorative.

Pansy :-- Corn fritters may be prepare as follows:

ws: A pint of grated corn.
An egg.
Half a cupful of milk.
A ten-spoonful of melted butter.
Two ten-spoonful of baking powder.
Salt and pepper to taste.
Flour to thicken.

Grate the corn from the cob. Beat the well and add it to the corn and also milk, melted butter, salt and pepper. Sa the baking powder into a little of the far and add it to the corn, stirring in cross flour to make a rather thick batter. The fritters are fried upon a griddle like bate cakes, a table-spoonful of the batter ber used for each fritter.

PHOEBE; -A red color scheme is appo priate for the library. A wool tapes table cover may be used on the dining ro table between meals.

A POPULAR HOME WORK Successful only when the Diame Dyes Are Used.

In thousands of happy and thrifty he in the Dominion and in the colony of No foundland the work of rug and mat make is becoming very popular. Home-mader, and mats are more highly esteemed just w than imported goods. This is not sure ing when we remember the fact that a home articles are the best wearing a prettiest.

The Diamond Dyes have given a gain impetus to the work of making home rayings and mats. In former times the treassome part of the work was the drease. With the old-fashioned and poorly prepare dyes the dyeing operation was long and satisfactory. The introduction of the li mond Dyes with their special colors wool, and for cotton and mixed goods, been a boon to womankind. Old and fai rags and yarns for mats and rugs cann be dyed any beautiful and brilliant shi with the Diamond Dyes-shades that perfectly fast to sun and soap. If you wish to be at all times success

in dycing for rug and mat making, we is utter a warning note against the use of at terated package and soap grease dyes it only produce muddy and streaky colors cannot possibly stand an ordinary wash Ask for the Diamond Dyes, use them as directions, and your success is sure.
