

A Talented Artist.

The Musical Achievements of a Young Canadian Girl.

Living in Peterborough, Ont., there is a young lady whose real talent as a musician is attracting much attention. Not only is she a pianist of brilliant technique—she possesses as well that sense of learning the meanings of things, which is usually called, for the want of a better name, temperament. Of wide scholarship in her art, she is particularly well equipped for the work of teaching, and it is not remarkable that her pupils, both in Peterborough and Toronto—for she has a class there—have found her ambition and example most stimulating. But it is as a composer that Miss Roger has awakened the most interest. Songs written by her are appreciated and sung by many prominent artists in the United States, such as Vernon d'Arnalles, the Chicago baritone. She writes naturally; her melody is fluent, and her accompaniments are always musicianly. There seems every reason to believe that the reputation which this Canadian girl has already won will grow and reflect credit not alone on her, but on the country where she was born.

These remarks are called forth by a glance at a booklet just issued by Miss Roger, and containing extracts from the many kind words which her artistic achievement has occasioned. Incidentally it might be well to point out that Miss Roger has been a constant friend to the Gourlay piano since it came on the market. She says, in a recent letter to the firm of Gourlay, Winter and Leeming: "I am really delighted with the Gourlay which I have in my studio. It is giving perfect satisfaction."

MEN, HERE'S AN OFFER

WEAR MY ELECTRIC BELT FREE UNTIL I CURE YOU

You've doctored and doped till your are sick of it all.
You would pay for anything that would give you back your old vim.

You don't want to pay out any more money till you are sure.

I will cure you first and you can pay me afterward.
Is that fair? Then get in line.

I know what I can do, because I've done it and am doing it every day. I'm sure that Electricity is the life, and that I can restore it where it's lost. So if you need what I offer, and don't want to risk my price, wear my Belt free until you are cured, then you can pay me.

And when you do pay me the cost is less than a short season of drugging, and how much more pleasant! You put my Belt on when you go to bed; you feel the soothing, exhilarating vigor flowing into your weak body, and while you sleep peacefully it fills you full of the fire of life. You wake up in the morning feeling like a giant.

Now, I can't cure everything. I don't claim to, and I won't take a case that I don't feel sure of, but all these troubles which come from an early waste of vitality, from dissipation of any kind, from decay of nerve power, or from any organic stomach, liver or kidney weakness, I can cure, and those are the cases I am willing to tackle and take the chances on. I am curing them every day.

All I ask is reasonable security for my belt while you are wearing it.

Miracles are worked every day. Read the story of Herman Schur, Bladworth, Assa., as he gives it in his own words. Mine is the only remedy when doctors and medicines fail.

"Dr. McLaughlin.—Dear Sir: The undersigned advises all people who are sick to buy an Electric Belt. Your Belt is better than all the medicines and doctors. Nine months ago I was very sick, and took all kinds of pills, oils, and powders, but to no avail. The only thing that helped me was your Electric Belt. I thank you for interesting yourself in the poor as well as the rich. Any person in their right sense should not delay, but buy the Belt at once, and they will never regret it."

Here is another enthusiastic patient, Mr. D. Hamm, of Rosthern, Sask., writes me this:

"Dr. McLaughlin.—Dear Sir: I must say that I am exceedingly well satisfied with your treatment. I can feel that I am getting stronger in every way, and the pain in my back is entirely gone. I am doing very hard work at present, but find I am able to stand it very nicely. I would like to have everybody know that I have obtained this cure through the use of your Belt. It has been worth to me a great deal more than it cost me."

Tell me where you are and I'll give you the name of a man in your own town that I've cured. I've got cures in every town.

That's enough. You need the cure. I've got it. You want it. I'll give it to you or you need not pay me a cent. Come and get it now. The pleasurable moments of this life are too few, so don't throw any away. While there's a chance to be husky and strong, to throw out your chest and look at yourself in the glass and say "I'm a man," do it, and don't waste time thinking about it.

I've got a beautiful book, full of good, honest talk about how men are made big and noble, and I'll send it to you, free, sealed, if you send this coupon.
