

Archdeacon and Mrs. Banks visit World War II evacuees

Many in Mississauga will remember early in World War II, when the whole Anglican Church School of St. Hilda's was evacuated from Whitby, Yorkshire, on the north east coast of England and came to Glen Erin Hall Erindale, where they carried on until the end of the war. Sisters and pupils took part in community affairs, gave concerts in Erindale Community Hall and attended St. Peter's Church where Rev. George F. Banks, now Archdeacon, was rector. Erindale will be interested to learn that on their recent trip to England, Archdeacon and Mrs. Banks went to Whitby Yorkshire and visited St. Hilda's School.

They found four of the Sisters who were here,

still in the school, one is in Ghana and one in Rhodesia. Two of the girls, now attending St. Hilda's are daughters of girls who were in Erin-

dale and have told their families of their happy times in the school when then Streetsville rd. s., and the warm Canadian welcome given to them in Erindale.

Archdeacon and Mrs. Banks spent six weeks in England. They visited relatives in Newark, Nottinghamshire where the Banks' family live. They

Anne's-on-the-sea, down to Gloucester and Worcester, then back to Newark and London before flying home to Canada.

Mr. and Mrs. John Hyde, Jarvis st., Erindale were in Niagara Falls Dec. 3, to help their granddaughter Joanne, daughter of Mr. and Mrs. Ron Thompson celebrate her eighth birthday.

At the meeting of the Credit Valley Neighbors, held in Springbank Community Centre, Thursday, Nov. 28, with president Mrs. Margaret Reigling in the chair, the neighbors saluted Miss Lottie Caton's 80th birthday with happy birthday and a handsome cake on which was inscribed "Happy Birthday Lottie" and decorated with five candles.

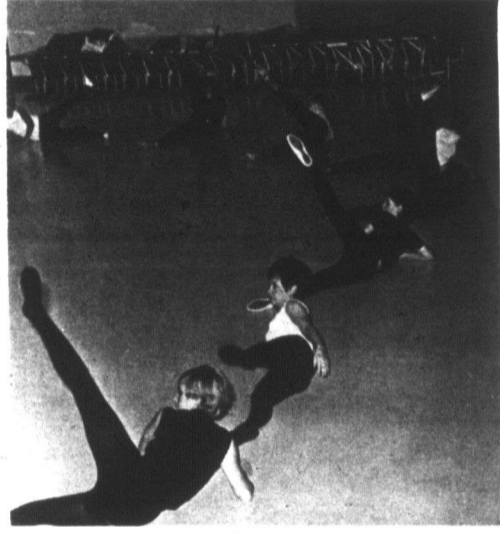

Miss Caton was born in a little house that stood opposite St. Peter's Church on Mississauga rd. n. and four years later moved to the home on Dundas st. which was pulled down to make way for the new Erindale

High School. She now lives on Robinson st. in the village. She attended Erindale School and St. Peter's Church and is a charter member of the Erindale Women's Institute.

A farewell gift, a box of cigars, was given to Joe Simpson, a valued member of the CTV who is moving from Erindale to Barrie.

A table of assorted gift donations brought \$20 to the club's funds. Final plans were made for the CTV annual Christmas supper to be held in Erindale United Church Thursday, Dec. 12, at 7 p.m. The Erindale Lions who have transported the neighbors to all their meetings, and their wives, will be honored guests.

Mr. and Mrs. John Ford, Jarvis st., Erindale returned Nov 30 from a two week cruise to the West Indies on "The Princess Margriet" which took them to Aruba, Curacas, La Guaira, Caracas and Trinidad. When asked about the weather Mrs. Ford just said "Too hot."
